Hiba (3rd year student)
Location : Nayo Home, Malaparamba
Date : 25 December 2020 (Friday)
Time : 10 AM - 1 PM

The Students of Business Administration Department, as a part of their Social Responsibility as young Citizens, took the initiative to visit "MAYO OLD AGE HOME" on 25th December to celebrate Christmas. Considering the Covid 19 scenario, only three students were taken to represent the entire department. Students from the department had been doing this since years and will also continue to do even after college years as an Obligation. The intentions fulfilled through the programme are providing cooking utensils like Cooker and frying pan, providing towels and talcum powder, Celebrating Christmas with them, listening and Understanding life stories and experiences and providing them a sense of belongingness and the hope to live more. A Cake Cutting Ceremony was organized. The programme carried out a very interactive session, songs and games were played. Both the Students and the senior citizens in there were heartfelt and are hoping for a get together soon from the department.
