Nimisha G (Faculty of BBA department)

Student Coordinator:

Mariya S John

Sneha K Mohan

Fadwa Fasalu

CONVENERS:

Fadwa Fasalu (Main Speaker)

Anagha Ajay (Prayer)

Adhitya V Nath (Welcome speech and vote of thanks)

Nanditha G Menon (Comparing)

Prasy Vk (Spoke about Environment)

Date: 5th June, 2021 (Saturday)

Time: 2PM

World Environment Day (WED) is celebrated annually on 5 June and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1974, it has been a platform for raising awareness on environmental issues such as marine pollution, human overpopulation, global warming, sustainable consumption and wildlife crime.

The session began with the speaker Fadwa Fasalu presenting a presentation and a webinar on the topic environment day. She did a webinar for students of different schools. All the students have actively participated and responded throughout the meet. She spoke about the 3 R's Reuse Reduce and Recycle. Reduce means to cut back on the amount of trash we generate. Reuse means to find new ways to use things that otherwise would have been thrown out. Recycle means to turn something old and useless (like plastic milk jugs) into something new and useful (like picnic benches, playground equipment and recycling bins). She explained that Sustainable development can be defined as development that meets the needs of the present without compromising the ability of future generations to meet their own needs. She also talked about cleanliness of the surroundings, why is it necessary for us to keep our surroundings neat. To use the "USE ME" dustbin and also separate the plastic and food waste. Do not litter our beautiful environment. She suggested each student to plant trees, the more the trees the better for everyone surviving in earth. Later, Prasy VK (Faculty of BBA department) continued the session. She gave a brief explanation of how to protect our environment. She stressed about SAVING OF TREES and SAVING WATER. Overall, it was a wonderful session for the students and for all participants presented in the meet.
