ENVIRONMENTAL DAY CELEBRATION

05/06/2021

On June 5 as part of World Environmental Day celebration various activities were organised by the Kerala NCC unit of Providence womens college Calicut. All the activities were carried out making use of available options of online platform. Cadets actively took part in these events,

- (1) Making of awareness posters
- (2) Making of video
- (3) planting of tree saplings
- (4) Nurturing and growing indoor plants during the lockdown
- (5) Spreading the message of energy conservation
- (6) Cleaning our surroundings

As the youth of today the cadets brought out importance of ecological restoration in alignment with the UN on ecological restoration by making videos and posters. This creative step could really magnify the importance of ecosystem restoration. Cadets who made the video to spread the awareness are:

KL19SWA 195876 LCPL Ashna Shaji
KL19SWA 195897 Cadet vaishnavi M
KL19SWA 195880 Cadet Fathima Hisana
KL19SWA 195865 Cadet Amala saji
KL19SWA 195891 Cadet Theresa sabu
KL19SWA 195866 Cadet Amaya Biju
KL19SWA 195898 Cadet Aieena M R
KL19SWA 195896 Cadet Unnimaya E M
KL19SWA 195888 cadet Marylein James

All the cadets cleaned their premises and planted new trees and this was also a great opportunity to be with the nature. All in all the day was a chance to care for the environment and it made a difference to the way we view nature.
