

## **REPORT**

The programme named “Chemaritans” is the extension activity of Dept of Chemistry for reaching out to the needy as occasion demands. Each year the teachers and the students actively participate in such life-giving programme to grow in social responsibilities. This year too we conducted a few programmes.

### **Distribution of clothes**

The programme named “Worthy cast off” is an effort to distribute clothes among the needy. This year we have collected clothes from teachers and students and distributed among the people of Wayanad.
