

CG Based Association Studies

- ❑ 207 Indian wheat cultivars.
- ❑ GW gene: *TaGW2-6A*
- ❑ Four SNPs were identified in promoter region
- ❑ Two SNPs (at -988bp and at -494bp) were novel
- ❑ SNP-494 associated with TGW

	-988	-739	-593	-494

PROVIDENCE WOMEN'S COLLEGE, KERALA, INDIA

In Association with

BIOFORTUNE Co., New Zealand

45-DAYS INTERNATIONAL BIOINFORMATICS SKILL

DEVELOPMENT WORKSHOP 2.0

SEI OCTOBER 15, 2020

Overview

Importance of Genome sequencing for developing drugs and diagnostic tools, is brought to light during COVID 19. Detailing of the new corona virus' biological sequence, was a bioinformatics breakthrough.

Life science students can delve into the situation with ample knowledge of molecular biology, genetics and bioinformatics

Week 1- Module I: Molecular Biology

- Nucleic acids, Transcription, Translation
 - Nucleic acid isolation
 - PCR and different types
- Basics of NCBI and associated Databases

Week 2 -Module II: Phylogenetic Analyses

- DNA Barcoding, Molecular markers
- Selecting molecular markers for expts
- Sequence alignment
- NCBI, Data bases and tools
- BLAST & Phylogeny
- NJ tree for molecular identification
- PAUP – Maximum Parsimony and Maximum Likelihood tree analyses
- Mr. Bayes and Bayesian Tree for phylogenetic analyses

Week 3 - Module III: Advanced Bioinformatics

- Understanding Genomics Bioinformatics

Course Objectives

- Basic and Advanced knowledge
- Analytical skills on Phylogeny
- Application level knowledge on bioinformatics .

Resource Person

Dr Rebijith KB,
Senior Scientist, Ministry for
Primary Industries, New
Zealand.

Participation Eligibility

Post graduate and above

System Requirements

Computer with Internet facilities
Gmail account
Mode of delivery - Skype

Course Layout :

45 days (Mon-Fri)

Live session : 2.30-3.30 pm

Course Outcome

Hands on experience (via
screen sharing)

handle individual projects

- Databases & tools (NCBI, UCSC, BLAST, BLAT etc)

- Gene Prediction, Genome Annotation
- Biological Functional Annotation
- Genome Visualization
- Unix based commands for NGS data analysis

Coordinator @ Providence :
Dr Minoo Divakaran, Faculty,
Centre for Plant Science Research,
Dept of Botany, PWC

45 days of 'INTERNATIONAL BIOINFORMATICS SKILL DEVELOPMENT WORKSHOP'

Date : September 1st - October 15th 2020

Platform : Zoom, Google Meet

Resource Person : Dr. Rejith KB (Senior Scientist, Primary Industries New Zealand)

Report on Skill Development Programme

A skill development Programme was conducted from September 1st 2021 to October 15th on Bioinformatics in association with Biofortune, Newzealand online via Google meet. The resource person was Dr.Rebiith K.B Senior Scientist. Our faculties Research Scholars ,PG Students, and the interested students of final year UG participated in it.

Report on Skill Development Programme

A skill development Programme on Scientific illustration was conducted on Feb 18 th 2021 . The resource person was Dr.Deena Meria Jose HOD Department of Botany. Whole students of PG and UG were encouraged to participate in it.

GENES AND GENE SEQUENCES

2.00 pm IST

Farhana Muhammadali KV
Industrial and Commercial Biotechnology
Newcastle University, UK

 **Investigation of Protein Sequences**
Demonstration of Applied Bioinformatics - BIC
Farhana Muhammadali Kacheri Veetil

The genome assembly is annotated by using the programme, PROKKA. Upon operating PROKKA, the contigs will get appeared in FASTA format along with the small gaps or small contigs. These are removed by running an editor named Nano. The resultant from this level is used to view the sequence by the tool Artemis.

Fig. 1 shows the sequence and the contigs from PROKKA. The values shown are the different identifier having their respective the size of protein. The gaps with their break codes represent the smaller sequences from the contigs that are the incomplete reads. It will have their own set of IDs. These sequences are then used to identify the sequence and the sequence of the contigs.

The selected sequence will undergo BLAST search and find similar sequences of spike, glycoprotein of SARS-CoV2. The PDB identification codes of the two proteins taken for study are 7KRQ(Zhang et al., 2021) and 6ZWI(Ko et al., 2020).

Fig. 2 highlights the protein sequence alignment that obtained from the two studies. The alignment will contain the residues or changes in the sequence with different colors and sizes. Here, it will appear like a ladder for the contigs to a dot.

WEBINAR ON:

YOGA AT HOME , YOGA WITH FAMILY.

DATED ON : 21 JUNE,2021 (Monday)

WEBINAR REPORT

Webinar Co-ordinator:

Asst Prof . Deepa Sudheer (H.O.D – BBA Department)

Conveners: Prasy VK – Welcome speech (Faculty of
BBA Dept)

Keerthana MP - Prayer (Third year BBA student)

Fara Kalma - Comparing (Third year BBA student)

Rana P - Vote of thanks (Third year BBA student)

Resource Person : Dr N.Vijayaraghavan Yogacharyan,
PhD in Yoga Philosophy, certified NLP Practitioner and
Hypnotherapist.

Date : 21st June, 2021 (Monday)

Time : 9 : 00 AM

Preamble :

The theme for this year's International Yoga Day was "Yoga at Home , Yoga with Family". The day began with a webinar graced by Dr N.Vijayaraghavan Yogacharyan.

Over the years yoga has gained international popularity as a trusted and efficient way of staying fit. Today, millions of people have adopted yoga as a part of their lives. It brings together physical and mental disciplines to achieve a peaceful body and mind. Yogacharyan N Vijayaraghavan elaborated many reasons for practicing yoga and explained acts that can help us understand ourselves and connect with the with the world around. He stressed on conditioning of perceptions as it is an essential aspect of yogic path. Most crucially he described the experience when the body and mind purifies with a state of mindfulness and clarity.

There were a total of 100 participants in the webinar, it consisted of 96 students, 4 teachers of the BBA department and the speaker.

Dr N.Vijayaraghavan Yogacharyan:

An eminent yogacharya with a PhD in Yoga Philosophy, who has received several awards like the Mangalath Prabhavati award, Meritorious Service award, Paithruka Ratna Award , Yoga and Sastra Ratna award and Kamashresta Award. He has attended several National and International conferences and presented papers on “yoga and yoga therapy”. A champion in Kozhikode District Yogasana competition and the only direct disciple of H.H Swami Satyananda Saraswati , founder of Bihar School of Yoga. He is the author of two books on Yoga and Yogayilude roga samanam published by Satyananda Yoga Centre and Malayala Manorama respectively. He is also proficient as nature cure healer , Hypnotherapist , Reiki Master , Advanced pranic healer , acupressure therapist , and a certified N L P practitioner.

The course content derived in the webinar is as follows :

- *The purpose of yoga : To build strength , awareness and harmony in both mind and body*
- *Physical benefits of yoga: Relaxation techniques incorporated in yoga*
- *Mental benefits of yoga: Increases mental clarity and calmness*
- *The purpose of yoga asanas and breathing techniques to attain optimum health*
- *How yoga perfects posture and improves flexibility*
- *Improvement of coordination, reaction time and memory.*

LIFE SKILLS EVENT REPORT

Name of the event : Life skills
Date of the event : 17/04/2021
Number of participants : 92
Speaker : Ms Shamnisha P (HOD,Department of Psychology)
(KR's SN College)

A talk on life skills-"How to build self awareness, Psychological & Physical Relaxation Techniques" was conducted by the Department of Business Administration as a part of Capacity Building and Skills Enhancement initiative taken by the institution.

With the advent of Covid-19 and the recent surge on the number of cases the talk was held on the online platform of Google meet with the speaker being Ms Shamnisha P, who is the Head of the Department of Psychology of KR's SN College, Valanchery. Several invaluable topics were addressed concerning about cultivating the awareness and the responsibility which is a fundamental requirement as a social being. With the increasing number of youths having an unbalanced psychological frameworks especially with the recent pandemic crisis, this seminar was quite helpful in providing a window to better understand themselves by introducing to them various techniques to relax and deepen their awareness. The session was very interactive with the speaker instructing the participants to conduct an individual SWOT(Strength, Weakness,Opportunities & Threats) analysis, which gave them an insight about their capabilities. She also showed them various breathing exercises to make them stress free .

The seminar which was held in the morning session(10am-11am) on 17th of April (Saturday) was a great success with a total audience of 72 from the host college as well as 20 students from other colleges and schools.

Department of Chemistry

Weekly Powerpoint Presentation by Students 2020-21

In order to improve the knowledge, language and communication skill of students, weekly power point presentation on the 'Recent Trends in Chemistry' was organized by the R & D cell of Department of Chemistry. Students from different classes presented relevant topics in science. At the end of each presentation, there was a session for discussion. The list of students presented and the titles of their talks are listed below.

SI. No.	Date of the event	Name of the Student	Class of Study	Title of the talk
1	10/09/2020	Haifa Parveen	III Chemistry	Elimination of Sulphur
		Abhirami S. M.	III Chemistry	Lithium ion battery
2	17/09/2020	Anagha K	III Chemistry	Ozone Depletion
		Dilshana V. K.	II Chemistry	Recents Trends in Nanotechnology
3	23/09/2020	Agna Edison	III Chemistry	Desalination of Water

DR. GIGY ABRAHAM
ASSOCIATE PROFESSOR & HEAD
DEPT. OF CHEMISTRY
PROVIDENT WOMEN'S COLLEGE
CALCUTTA

Report on the life skill webinar ‘Staying on Track during Pandemic’ conducted on 19th and 20th May 2021

The Corona virus outbreak urged us to start another chapter of life in history. This outbreak has changed our life situations into digital platforms. Developing a response to the new adaptations and following a new normality is extremely challenging. Even the darkest clouds have a silver lining. Triggering the hidden positivity of this uncertainty and being flexible to the normality, the Department of Chemistry, Providence Women's College, Calicut, conducted two days life skill webinar on the topic ‘Staying on Track During Pandemic’ on 19th and 20th May 2021, using the virtual platform of Google Meet.

On 19th May 2021, at 11.00 am, Dr. Priya P., Associate Professor and Research Guide, PG and Research Department of Hindi, Government Arts and Science College, Calicut, addressed the students on the topic ‘**Adapting to the New Normal**’. Dr. Priya talked about the arrhythmic lifestyle of students and consequences. And she also spoke about depressed and aggressive behaviours inside the walls during lockdown. Then she described how the behavioural changes adversely affects the personality of a person. And she advised the students on how to face the new situations and the importance of keeping up biological rhythm properly. More than hundred students participated in the webinar. Since Google Meet can afford only 100 participants, we have also provided live streaming of the programme on youtube. The students had an interaction with the speaker. The session ended at 12.15 pm.

On 20th May 2021, the second day of webinar had an informative as well as an interactive session handled by Dr. Shimna Azeez, Consultant Rapid Response Team, WHO. The speaker conveyed her views and ideas and made us think upon ourselves. It was an eye opener to the listeners since we were deviating from our healthy lifestyle following irregular patterns. The speaker's note was perfect in exploring the topic '**For a Healthy Girlhood During Lockdown**'. The session was an interactive one and hence the listeners well interacted with the speaker and made it more fruitful. About seventy participants were in the session which was conducted virtually through Google Meet. The session started at 7.00 pm and came to an end at 8.30 pm.

DEPARTMENT OF CHEMISTRY
PROVIDENCE WOMEN'S COLLEGE CALICUT

**TOPIC: ADAPTING TO THE NEW
NORMAL**

Life Skill Webinar

STAYING ON TRACK DURING PANDEMIC

DR. PRIYA P

Associate Professor and Research Guide,
PG and Research Department of Hindi,
Govt. Arts & Science College, Calicut.

**ON
19/05/2021**

**TOPIC: FOR A HEALTHY
GIRLHOOD DURING LOCKDOWN**

DR. SHIMNA AZEEZ

Consultant, Rapid Response
Team, World Health Organization
India.

**ON
20/05/2021**

**TIME:
11 AM - 12 PM**

**TIME:
7 PM - 8 PM**

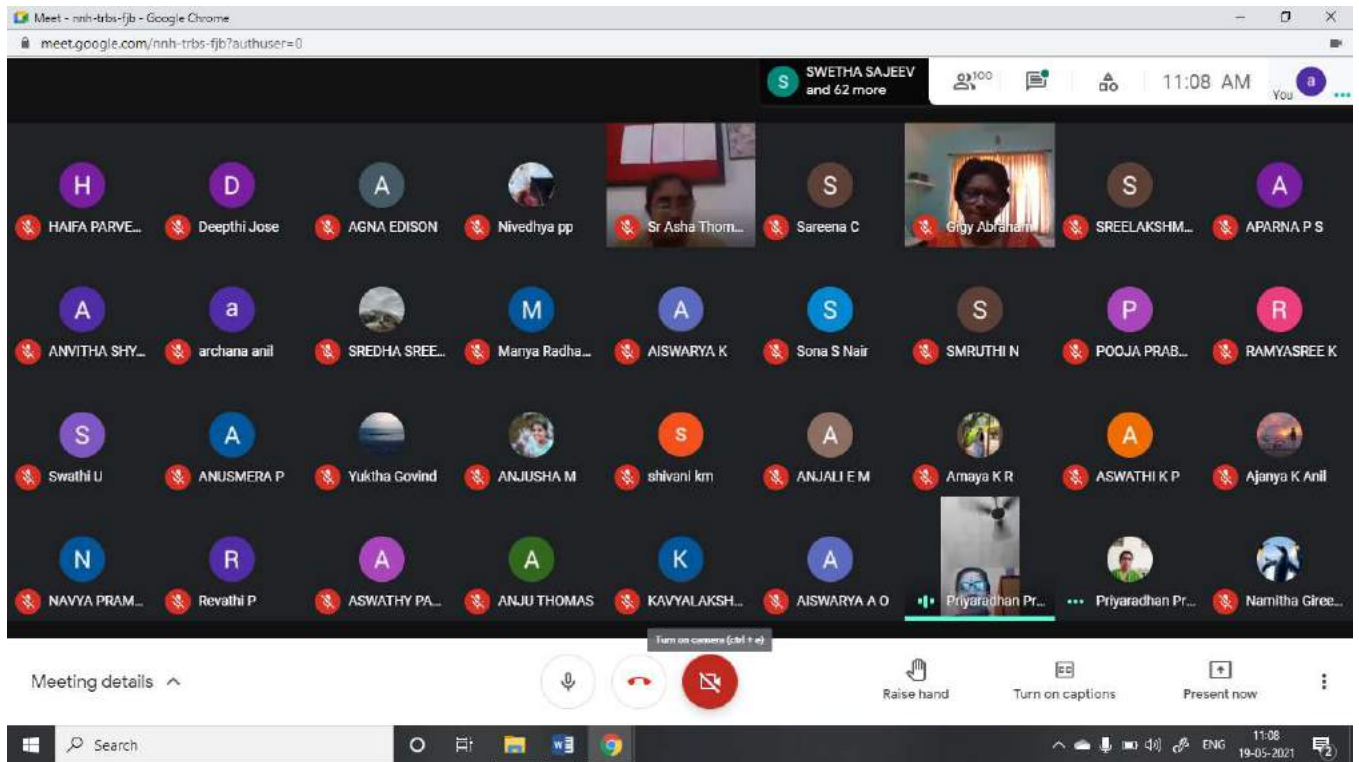

**Coordinator:
Dr. Anu Jose**

Platform:

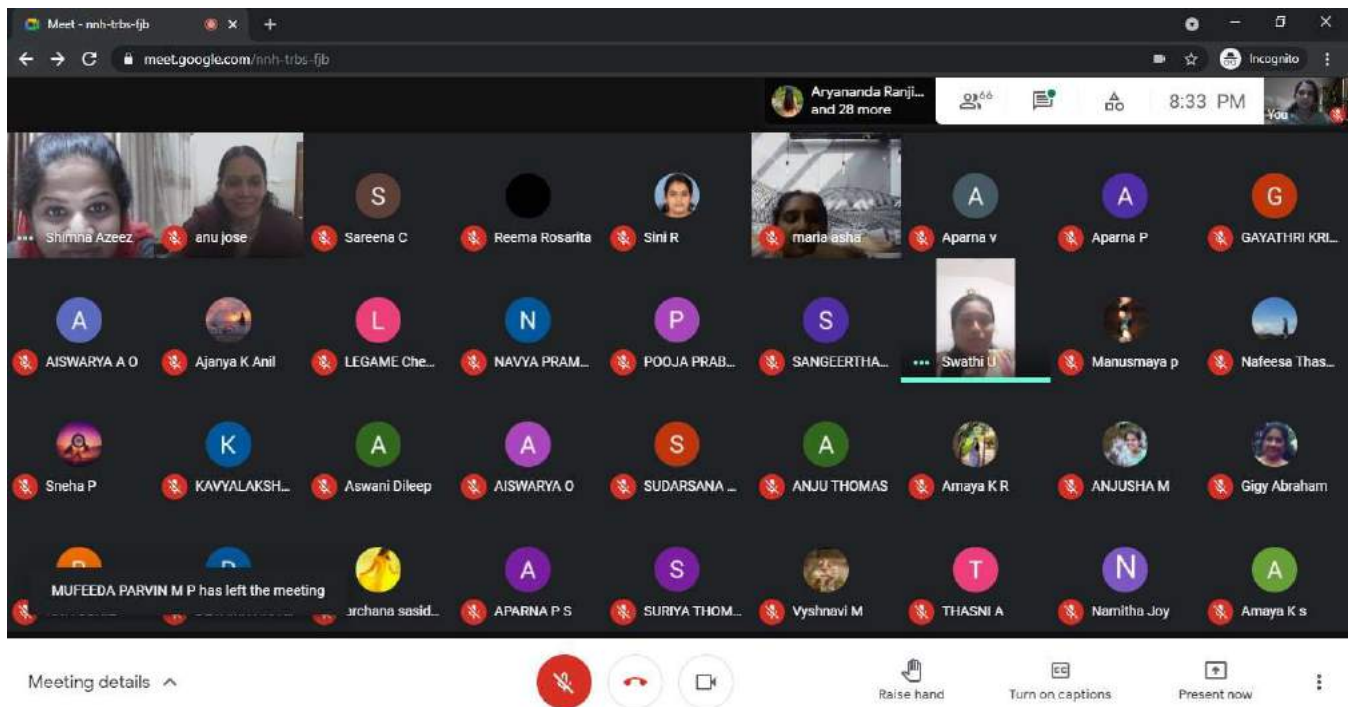

All are cordially invited...

Adapting to the New Normal (19-05-2021)

For a Healthy Girlhood during Lockdown (20-05-21)

Report on Bridge Course offered by Department of Chemistry during 2020-21

Bridge course on '**Basic Concepts of Organic Chemistry**' is a 15 hours course offered to second year B.Sc. Chemistry students as well as Second year B.Sc. Physics, Zoology and Botany students who have Chemistry as their complementary course. The course commenced on 02-09-2020 and classes were handled by the faculties of the department. The course was benefited to 152 students, and it helped the students to revise and recollect the organic Chemistry they have learnt in higher secondary classes. In addition to that some new concepts were taught as an introduction to the Organic Chemistry course which they are learning during second year. Examination was conducted at the end of the course for each batch. The syllabus, list of students enrolled and the examination results are listed below.

BRIDGE COURSE SYLLABUS
BASIC CONCEPTS OF ORGANIC CHEMISTRY
(Total hours = 15)

1. Introduction to organic chemistry: Functional groups, Classification of organic compounds and nomenclature, Hybridization of organic compounds: Methane, Ethylene, Ethyne

2. Fundamentals of Organic Reaction Mechanism: Substrate, Reagents- Electrophiles and Nucleophiles, Reaction Intermediates: Carbocations, carbanions and free radicals (types, hybridization and stability). Curved arrow notations, Homolysis and heterolysis of bonds.

Electron Displacement Effects: Inductive effect: Definition – Characteristics - +I and –I groups. Applications: Explanation of substituent effect on the acidity of aliphatic carboxylic acids.

Mesomeric effect: Definition – Characteristics - +M and –M groups. Applications: Comparison of electron density in benzene, nitrobenzene and aniline. Hyperconjugation: Definition – Characteristics. Example: Propene. Applications: Comparison of stability of 1-butene & 2-butene.

Electromeric effect: Definition – Characteristics - +E effect (addition of H^+ to ethene) and –E effect (addition of CN^- to acetaldehyde).

3. Types of organic reactions: Addition, elimination, substitution and rearrangement reactions, (definition and one example each).

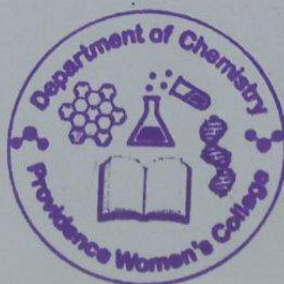

4. Concept of Aromaticity- Huckel's rule, classification of aromatic compounds, Heterocyclic compounds. Reactivity and orientation, Electrophilic and Nucleophilic substitution reactions.

5. Stereochemistry of organic compounds

Optical isomerism, Geometrical isomerism and conformational isomerism. R and S nomenclature, E and Z nomenclature.

Report on Workshop conducted

Title: **One Month Online Course on "CRAFT MAKING"**

Date: Dec 2020

Preamble:

A one month workshop on Craft Making has been conducted by Entrepreneurial Development Club of Department of Commerce during December 2020 through google meet to improve creativity in students and encourage them to develop their entrepreneurial venture.

Resource Person:

The sessions were handled by Rahiba T of 4th sem M.Com. Rahiba T is an virtual entrepreneur having four years' experience in craft making.

Participant's Profile:

A total of 19 students from various departments enrolled for the workshop and 7 delegates namely, Keerthana M P, Sneha P K, Aswathi K, Andrea Daiz K, Anjana R, Shilna Parvin and Aswathi T participated in the sessions.

Description of the Programme:

The workshop was a one month course consisting of 20 days sessions of one hour. The entire sessions were an interactive and the resource person answered many queries raised by the participants. The programme was coordinated with the support of the Principal, faculty and members of Entrepreneurship Development Club, Department of Commerce.

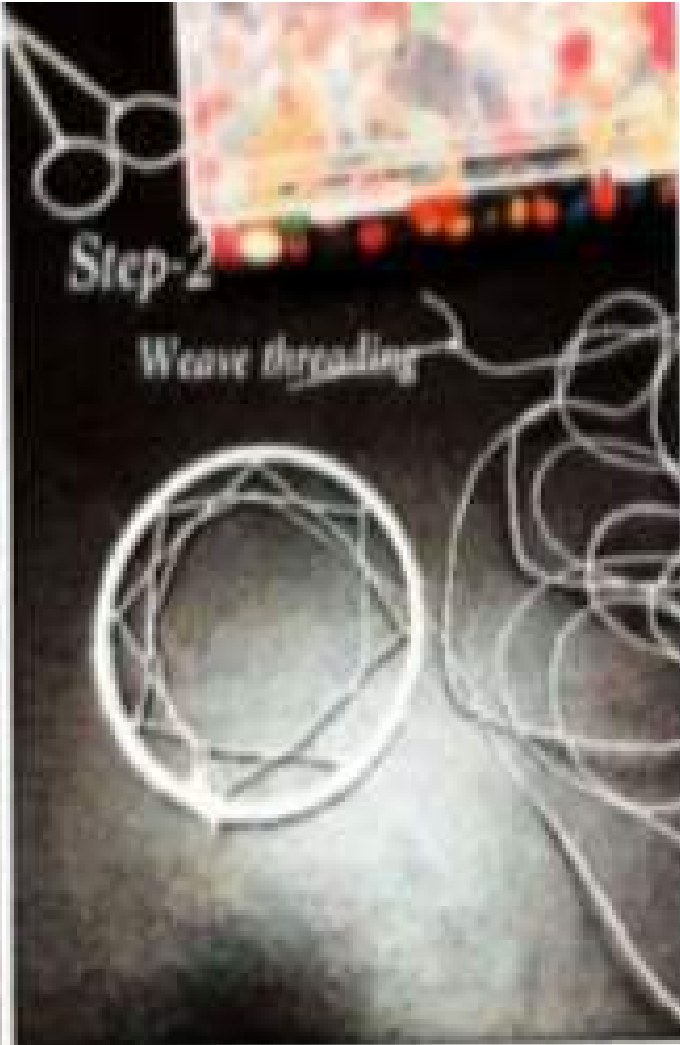

Step-1

Hoop wrapping

Step-2

Weave threading

Final step

Attach feathers and beads

REPORT

On 2nd July 2020, Department of Commerce organized a Webinar on the topic “**Anxiety & Stress Management in Covid-19 Edition**”. The resource person of the session was Ms.Suprabha C.C, Associate professor & Govt.certified trainer, Universal Engineering college, Vallivattom. The webinar was conducted to provide students and teachers measures to overcome the stress, tension and anxiety created due to the sudden shift of classes from offline to online during Covid 19 Pandemic. The resource person shared many thoughts on Yoga, Meditation, and Breathing exercise and also conducted counseling for students through Google meet. Students felt relieved after attending the sessions. Later the videos of the webinar were launched in the YouTube channel ‘calypso’.

Webinar on "Women Health and Wellness"

Providence Women's College, Department of Computer Science conducted a Webinar on the topic "Women Health and Wellness" for the entire students of the Department. The webinar was held on 16th October 2021 through Google Meet.

Respected Dr.Ayisha Shabnam BAMS,Consultant ,Arogya Kalpa Ayurvedics ,Kattukulangara,Calicut was the Resource person. The webinar began at 7:00PM in the presence of all faculties of the Computer Science Department and ends at 08:30PM.

International webinar on Artificial Intelligence and machine learning

Providence Women's College, Department of Computer Science Organised an International Webinar on the topic "Artificial Intelligence and Machine Learning". The webinar was held on 12th June 2021 through Google Meet.

Respected Mr Binny Joseph, Senior Manager Google EU HQ, Ireland was the Resource person. The webinar began at 02:00PM in the presence of all faculties of the Computer Science Department and ends at 03:15PM. The talk began with a prayer followed by welcome speech by Dr Manjusha K K (HOD, Department of Computer Science). Presidential Address was given by Dr Mino Divakaran (IQAC Coordinator, Providence Women's College)

The webinar witnessed active participation from all the members of the Department and participants from different states. A Total of around 200 Participants attended the Webinar. We have also offered a Youtube Live stream (<https://youtu.be/befaaWm5LOU>) for the same. The webinar was structured in a PPT with Visual impact. A detailed explanation about Artificial Intelligence and Machine Learning was given to all the students by the Resource person. Mr Binny Joseph gave a basic idea about the three on going projects of Google. An interactive QA session was handled well as participants got new insights in the field of Artificial Intelligence, Deep Learning and Machine Learning.

The First Women's Arts and Science College established in Malabar region of Kerala. The Computer Science department was established in the year 2003-04 aimed to provide globally relevant education in the field of Information Technology. The department extended with MSc Computer Science 2013-14.

Organised by:
Department of Computer Science
Providence Women's College, Calicut.

Report on English Language Coaching Workshop

Resource Person: Dr. Aparna Nandakumar ,Department of English

On 15 July 2020, an online workshop was organized by the Department of English via Google Meet. The workshop was based on 'English Language Coaching'. Around 40 students attended the meet.

The resource person focused on improving the English language skills of the students, especially on the listening, speaking, reading and writing skills. The students found the session to be very informative.

Presents
Foundation Course

Date : 17-01-2021

Conducted by

Ramani.C.E, Shyama.E, Dr. Prathibha.K

**Department Of English
Providence Women's College**

Report on Foundation Course

Resource persons : *Ms Ramani CE , Ms Shyama E , Dr Prathibha K Department of English Providence Women's College Kozhikode.*

On 17th January 2021 an online workshop was organized by Department of English via Google meet. The workshop was based on the Capacity Building Foundation Course.

The event began with a prayer by Meghana , I DC English student, followed by a welcome speech by Riya Maria Tom, I DC English student and then this was followed by the resource persons's classes.

The resource persons gave a broad introduction to the programme- BA English Language and Literature and helped us to gain a thorough foundation of the course we have embarked on. The students got a personalized guidance on and understanding of their fields of interest and how to choose the stream ahead that suited their interest and background.

The three hour long online session was concluded with a vote of thanks by Naja Naseer, I DC English student. Participants also had the opportunity to clear their doubts.

**A workshop on
Communication skills**

Date: 6 July 2020

**Conducted by
Ms. Bindu A., Dr. Shanthi Vijayan,
Department of English,
Providence Women's College**

REPORT ON COMMUNICATION SKILLS WORKSHOP

Resource Persons: Ms. Bindu A, 'Dr. Shanthi Vijayan

On 7th June 2020, an online workshop was organized by the Department of English via Google Meet. The workshop focused on the enhancement of communication skills of the students. 43 students participated in the program. The resource people spoke on building up communication skill, common mistakes in communication and hacks for effective communication. The students found the session informative.

The image is a screenshot of a Zoom meeting. The main window displays a PDF document titled "General English.pdf". The document's content is as follows:

ESSENTIAL ENGLISH LANGUAGE SKILLS

I SEMESTER UG BATCHES 2020-21

At the bottom of the PDF viewer, it shows "Page 1 / 9".

On the right side of the Zoom window, there is a video feed of a participant named "Bindu A". She is wearing glasses and a red patterned top. The Zoom interface at the bottom shows a play button, a volume icon, and a timer at 0:00 / 50:15.

Report on Citizen Skill Enhancement Programme

Resource Person: Mr. Prajam ,Mpower -ASCERT Bangalore

On 12 May 2020, 'Citizen Skill Enhancement Programme' was organized by the Department of English. A total of 22 students attended the meet.

Mr.Prajam introduced the students to the programme and talked about skills the students could attain by the end of the programme. He also explained how the students could enhance their employability, build confidence, manage life and time balance, acquire soft skills and manage stress. It was a very productive session for the students, since the resource person gave them practical training on various aspects of the topic which he elaborated with demonstrations.

**A workshop on
Personality
Development**

Date: 22 March 2021

**Conducted by Dr. Lijya Manju,
Department of Psychology,
Providence Women's College**

REPORT ON PERSONALITY DEVELOPMENT

WORKSHOP

Resource Person:Dr.Lijiya Manju, Department Of Psychology

On 22nd March 2021 an online workshop was organized by the Department of English via Google Meet. The workshop was based on Personality Development. The event began with a welcome speech by Anasooya Thorakkattu, first DC English student. This was followed by the resource person's detailed talk on personality development.

Dr.Lijiya Manju reflected her vast insights and knowledge on the topic and emphasized the importance of having a vision and specific goal in life. She mentioned about various skills that one should acquire in order to have a successful career. She described the popular personality classifications and the Holland Theory of Personality and Job Compatibility. Later, she highlighted the importance of having a positive mind-set and shared some tips on positive thinking. She also mentioned some fundamental techniques on relationship management.

The one hour long online session was concluded with a vote of thanks by Devika S Nair, first DC English student. Participants also had the opportunity to clear their doubts on the respective topic.

REPORT ON MOODLE WORKSHOP

RESOURCE PERSON: Ms Preethy Mary George, Department of English,
Providence Women's College

On July 14th 2020, a workshop on the learning management platform Moodle was organised by the Department of English via Google Meet. It was an online workshop conducted by Ms. Preethy Mary George that benefited 101 students of the department. The workshop focused on different aspects of using Moodle including signing in, marking attendance, accessing study materials, uploading assignments, and taking online quizzes and examinations. The students expressed curiosity and enthusiasm towards the new platform, and Ms. Preethy fielded their queries in great detail.

REPORT

skill development program.

On 5 Nov 2021 department of Mathematics and Statistics conducted a program on skill development in association with vocational centre of Providence women's college. The program was conducted by latha, vocational trainer of Providence women's college. The sections was to make useful products with easily reliable sticks. The program was commenced from 01:30pm to 03:30pm on the same date.

Latha ma'am explained how to make flower pot with these common things in a simple language which help us grasp the making skill easily. The program gave us an idea about how to transform a common household waste material into a creative one. And we are planning to make more such useful products at home. The program helped us to develop our skill and our creativity.

INTRODUCTION TO STATISTICAL DATA ANALYSIS USING “R”

BY DR VANI LAKSHMI R

National workshop on introduction to statistical data analysis using R' was organized on 27 January 2021 by department of mathematics and statistics in providence womens college Dr Vani Lakshmi R was the chief guest of the occasion. It was a five day workshop it was from 2021 January 27 to 31. Our chief guest experts from various field like data science were invited to talk the students on the topic statistical analysis using R. She is assistant professor, department of data science in Manipal academy of education. The programme started with a prayer then our association secretary of department of mathematics & statistics, MS Sreelakshmy welcomed the chief guest, teachers & students. MS Aiswarya Paul head of the Department delivered the presidential address. The purpose of this event was to create an awareness among the students about the programing language R.The students participated in the panel discussion & power point was presented thereafter which followed by a Question & Answer session. Certificates were given to all the students who attended the session. MS Meenakshi rendered the vote of thanks for the event.

Presents

AN INTRODUCTION TO

LaTeX

CERTIFICATE COURSE

COURSE INSTRUCTOR

Ms. Anupama P

*Faculty of Department of Statistics
Providence Women's College*

19 JULY 2021

10:00 AM

On 19th July 2021, the Department of Mathematics and Statistics conducted a certificate course on the topic "An Introduction to LaTeX". The session commenced at 10 am and was conducted via Google Meet.

Programme Schedule:

Host: Abhíjaya

Prayer: Anjana

Welcome Speech: Arya

Course Instructor: Anupama P

Vote of Thanks: Raina

The course instructor Ms. Anupama P, Faculty of the Department of Mathematics and Statistics, Providence Women's College is a person with great quality of excellence. She did her undergraduate in Mathematics from Providence Women's college Kozhikode, and MSc in Statistics from Government Arts and Science College Kozhikode Meenchanda.

The class was all about introducing the software system LaTeX. LaTeX is a document preparation system for high-quality typesetting. It is most often used for medium-to-large technical or scientific documents, but it can be used for almost any form of publishing. Overall, it was an interactive session, and was very informative and productive. The session ended by 11:30.

ENHANCING ENGLISH SKILLS

On 3rd December 2021, a seminar was conducted by Department of Mathematics and Statistics on "Enhancing English Skills" led by Dr. Prathibha Padmanabhakurup. The talk commenced at 10 am.

PROGRAMME SCHEDULE

- Host - Nandana S (1st Year)
Gopika Ajith (1st Year)
- Prayer - Gopika M (1st Year)
Sneha Krishnan (1st Year)
- Welcome Speech - Avanthika S Anand
(1st Year)
- Presidential Address - Ms. Aiswarya Paul - HoD of Mathematics and Statistics
- Seminar - Dr. Prathibha Padmanabhakurup
- Vote of Thanks - Aiswarya V C (1st Year)

The chief guest Dr. Prathibha Padmanabhakurup is the Assistant Professor of the Department of English in Providence Women's College. She explained us about various subjects in the English language and introduced new words which were unknown to us. The talk was very well led by her attractive skills in teaching and we students as well as our mentors were very much involved in the class. The program was both informative and interactive. The session was completed with the blessings of both ours and Dr. Prathibha madam's teacher Mrs. Shyama E, Associate Professor and HoD of English, Providence Women's College. It was a well organised and an attentive hour.

REPORT ON MUSIC CLASSES 2021-22

The music class in Providence College 2021-22, was conducted offline from 1/1/2021 onwards. The classes were comprised of both Guitar and Keyboard. Almost 32 students were registered but about 29 students took active participation in the class. The class was co-ordinated and taught by Dr. Sr. Sheeba Andrews, Department of Economics Providence Women's College. Among them three of them were able to perform on the stage on the Institute Day on Nov. 19th 2021. All together about nine classes were taken. The classes were also made available online for the benefit of students who have not attended the classes. It was really helpful for them to revise their lessons.

**Introdu
to LaTe**

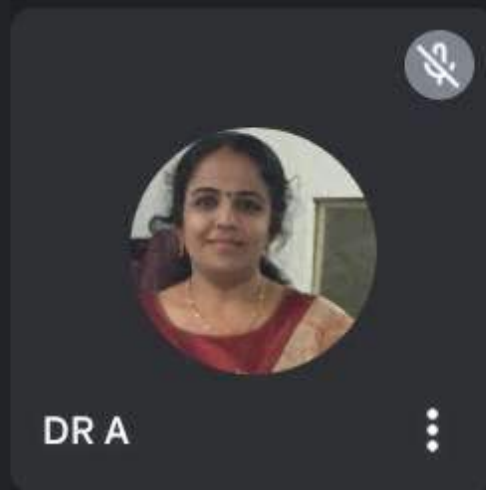

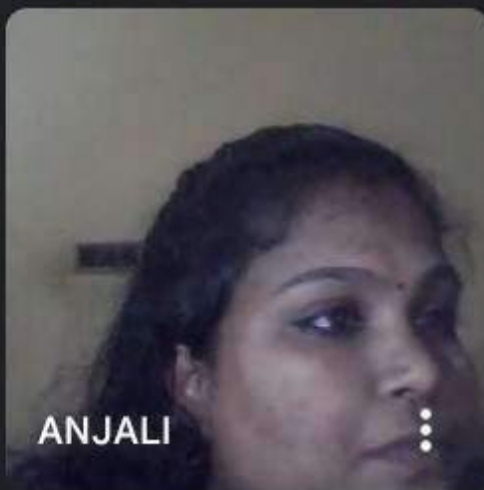

Report of 'Introduction to Latex' conducted on 15.12.2021

Department of Physics, Providence Women's College organised a webinar on 'Introduction to Latex' on 15.12.2021. The program was aimed at giving hands on training to the students of graduate and undergraduate students in documentation using the software Latex. Mrs. Anjali Jayanandan, our former student served as the resource person for the session. The session was attended by 50 students and the discussions were lively. A follow up session was also decided to be conducted on a later date as it can address the doubts of students as they start working with Latex.

REC

The screenshot shows the Overleaf LaTeX editor interface. On the left, a file explorer lists files like 1_SIMPLETEXT.tex, 2_TEXTSIZE_enter.tex, ..., 9_chapter.tex (highlighted), 10_content.tex, and name.tex. The main editor area shows LaTeX source code for a document class [12pt] article, including sections for Introduction, Second Section, and First Subsection. On the right, a preview window shows the rendered PDF with the title 'First Chapter' and sections '1 Introduction', '2 Second Section', and '2.1 First Subsection'. A tooltip for the 'Recompile' button indicates 'Recompile the PDF (Ctrl + Enter)'.

REFLECTIONS ON CHEMDRAW

RESOURCE PERSON
Dr. DIJO PRASANAN
Department of Chemistry

DECEMBER 19 • 2.30PM

obi-oobj-oqm |

Report of 'Reflections on Chemdraw' conducted on 19.12.2021

Department of Physics, Providence Women's College organised a program targeted at enriching the capabilities of students in working with ICT tools. The session was conducted on 19-12-2021. Dr. Dijo Prasannan, Guest faculty, Department of Chemistry, Providence Women's College served as the resource person and she gave hands on training on working with 'Chemdraw'. The students found the session very beneficial and around 35 students participated in the program.

Introduction to Chemdraw by Dr. Dijo (2021-12-19 at 01:08 GMT-8)

The screenshot shows the ChemDraw software interface. The main window displays a slide titled "Stereochemistry" with the following content:

- (a) a regular tetrahedron
- (b) methane (represented as a tetrahedron with a central carbon atom and four hydrogen atoms)
- (c) methane (represented as a ball-and-stick model with a central carbon atom and four hydrogen atoms, showing a bond angle of 109.5°)

The software interface includes a menu bar (File, Home, Insert, Design, Transitions, Animations, Slide Show, Review, View), a ribbon with animation options (Appear, Fade, Fly In, Float In, Split, Wipe, Shape, Wheel, Effect Options), and a task pane on the right for animation settings. The status bar at the bottom indicates "Slide 9 of 16", "Office Theme", "English (India)", "31°C Haze", and the date "19-12-2021".

Report of 'Be mindful and stressless' conducted on 21.12.2021

Department of Physics, Providence Women's College organised a program titled 'Be mindful and stressless' on 21.12.2021. The program was meant for final year UG and PG students with an aim to promote mental and physical wellness in students. Theatre artist Mr. Vijeesh conducted the session and around 60 students eagerly participated in the program. The program was lively and the students really enjoyed the session. It was full of music and dance which enthralled the participants.

CASE HISTORY AND MENTAL STATUS EXAMINATION

DEMOGRAPHIC DETAILS

Name: R

Age: 19

Sex: S

Education: Degree student

Occupation: student

Marital Status: Unmarried

Family Type: Nuclear

PATIENT'S REPORT

Informant Details: Informant himself

Reliability and Adequacy of Information: Reliable and adequate

Chief Complaints:

Unable to control anger

Stressed due to fear of losing partner

Onset – gradual

Course - continuous

Duration - 3 months

History of Present Illness:

The client is having problems in relationship with his partner. She doubts that his boyfriend has another affair that he knows very much. During lockdown

interaction between the client and his girlfriend has decreased. She feels insecure due to the boyfriend's friendship with the suspect and also because the boyfriend belongs to an upper caste, well settled family. She is afraid of losing her boyfriend as she belongs to a lower caste and lower socio economic status compared to the boyfriend.

Negative History – No history of head injury, mental retardation and drug abuse

Treatment History: No treatment history

Personal History:

Birth and Early Development: not available

Milestone Development: not available

Childhood Disorder: not present

Educational History: average student. Good interaction with peers and teachers.

Active in sports especially football. Dropped out of college two times.

Occupational History: currently working in marketing field. Planning to go abroad and do business

Marital History: Not married

Premorbid Personality: Happy go lucky nature but short tempered.

Family History: no history any kind of illness. Family consists of father, mother, elder brother and the client.

MENTAL STATUS EXAMINATION

General Appearance and Behaviour: Rapport was established easily.

Cognitive Functions:

Attention and Concentration: attention was aroused and concentration was maintained

Memory: intact

Immediate - intact

Recent - intact

Remote - intact

Abstraction: Good

Intelligence: Good

Arithmetic - Good

G.K - Good

Comprehension - Good

Orientation: Oriented towards time, place, person, and day and date.

Perceptual Disturbances – No perceptual disturbances were found

Thought - Normal

Stream – Flight of ideas

Content - Confused

Possession - None

Form - None

Judgment: Normal

Test - Normal

Personal - Normal

Social - Normal

Mood & Affect: Subjective mood was fear and objective affect was confusion

Insight: Present

PROVISIONAL DIAGNOSIS:

Relationship issues

DIFFERENTIAL DIAGNOSIS:

None

TREATMENT PLAN:

Effective communication strategies

Physical Exercise

Anger management

Done by:

Name: Lijiya Manju

CASE REPORT

SOCIODEMOGRAPHIC DETAILS:

Name (Initials): R

Age: 19

Sex: F

Education: Degree

Marital Status: Unmarried

Family Type: Nuclear

CHIEF COMPLAINTS:

Unable to control anger

Stressed due to fear of losing partner

Onset – gradual

Course - continuous

Duration - 3 months

PROVISIONAL DIAGNOSIS:

Relationship problems

INTERVENTIONS GIVEN:

Effective communication strategies are provided. Physical exercise one hour per day is suggested as the client has a sports history. The client is asked to keep a diary in order to find the anger pattern.

NUMBER OF SESSIONS:

1

SUGGESTIONS GIVEN:

The client is suggested to talk to the partner with an open mind and asked to share his problems without inhibitions.

SPECIFIC REMARKS (IF ANY):

Client didn't reported for follow up.

Presents

Cheer up

Crash it

7th day challenge (oct. 10)

DEAR ME

Do you have a goal?

In next 5 years what all do you wanna accomplish?

How do you see yourself after 5 years?

How do you plan to reach your target? What are your concerns? Motivations?

Utilize this day

To write a letter to your twin in 2026

mentioning all of this

Mental Health Awareness week - REPORT

Department of Psychology commemorate Mental Health Awareness week in the period of 4/10/20 to 10/10/20 by sharing posters through online platforms like Instagram, whatsapp etc.

Department organised a Mental fitness challenge by assigning certain task on each day to perform. The challenge was aimed to make the students to think about taking breaks from social media platforms.

Also, Students of our department spread the importance of Mental health and the tips for maintaining a better Mental health by making informative and attractive posters. It got many appreciations from other departments. Hundred and three students participated in one week program.

Date 9/8/2021

Time 3 to 4 PM

Department of Psychology, Providence Women's College conducted a one hour session titled as " Introduction to Online Certificate Courses" for Students of Providence Women's College. Session was taken by Dr. Rinju George, Head, Department of Psychology, Providence Women's

College. Date of the program was 9/08/2021 from 3 PM to 4 PM. Resource person discussed in depth about online platforms available for doing certificate courses such as coursera and swayam platforms. Resource person also mentioned the advantages each student receives when she does a certificate course using online platforms. Around 37 students attended the session. The session was very interactive and informative. Students raised their concerns about doing a certificate course online and their queries were addressed in a very positive manner by the resource person. From feedback collected from students it was found that many are interested in attending programs, apart from their regular academic subjects which will add more value.

"Lost on the Moon" Test

Your spaceship has just crash-landed on the moon. You were scheduled to rendezvous with a mother ship 200 miles away on the lighted surface of the moon, but the rough landing has ruined your ship and destroyed all the equipment on board except for the 15 items listed below.

Your crew's survival depends on reaching the mother ship, so you must choose the most critical items available for the 200-mile trip. Your task is to rank the 15 items in terms of their importance for survival. Place number one by the most important item, number two by the second most important, and so on through number 15, the least important.

- _____ Box of Matches
- _____ Food concentrate
- _____ Fifty feet of nylon rope
- _____ Parachute silk
- _____ Solar-powered portable heating unit
- _____ Two .45-caliber pistols
- _____ One case of dehydrated milk
- _____ Two 100-pound tanks of oxygen
- _____ Stellar map (of the moon's constellations)
- _____ Self-inflating life raft
- _____ Magnetic compass
- _____ One gallon of water

acewin is presenting

- _____ Signal flares
- _____ First-aid kit w/injection needles
- _____ Solar panel

Lost on the Moon Test: The Answers

Items	NASA's Reasoning	NASA Rank	Your Rank	Error Points	Change Rank	Error Points
Box of matches	Two oxygen tanks to sustain flames, virtually worthless	15				
Food concentrate	Efficient means of supplying energy requirements	4				
Fifty feet of nylon rope	Used to swing cliffs, tying injured together	6				
Parachute silk	Protection from sun's rays	8				
Solar-powered portable heating unit	Not needed, useless on the dark side of the moon	13				
Two .45-caliber pistols	Possible means of self-protection	11				
One case of dehydrated milk	Useful digestion of food concentrate	12				
Two 100-lb. tanks of oxygen	Most pressing survival need	1				
Stellar map	Primary means of navigation	3				
Self-inflating life raft	CO2 bottle in solitary raft may be used for propulsion	9				
Magnetic compass	Magnetic field too weak to use; no magnetic north on moon	14				
One gal. of water	Replacement for transmitters; liquid base on lighted side	2				
Signal flares	Distress signal when the mother ship is sighted	10				
First-aid kit with injection needles	Needles for airmen; medicines will fit special aperture in NASA space suits	7				
Solar-powered FM receiver-transmitter	For communication with mother ship; but FM requires line-of-sight transmission and short range	5				

Error points are the absolute difference between your rank and NASA's. 0-2 is Excellent, 3-5 is Good, 6-10 is Average.

Lost on the Moon Test: The Answers

Items	NASA's Reasoning	NASA Rank	Your Rank	Error Points	Change Rank	Error Points
Box of matches	Two oxygen tanks to sustain flames, virtually worthless	15				
Food concentrate	Efficient means of supplying energy requirements	4				
Fifty feet of nylon rope	Used to swing cliffs, tying injured together	6				
Parachute silk	Protection from sun's rays	8				
Solar-powered portable heating unit	Not needed, useless on the dark side of the moon	13				
Two .45-caliber pistols	Possible means of self-protection	11				
One case of dehydrated milk	Useful digestion of food concentrate	12				
Two 100-lb. tanks of oxygen	Most pressing survival need	1				
Stellar map	Primary means of navigation	3				
Self-inflating life raft	CO2 bottle in solitary raft may be used for propulsion	9				
Magnetic compass	Magnetic field too weak to use; no magnetic north on moon	14				
One gal. of water	Replacement for transmitters; liquid base on lighted side	2				
Signal flares	Distress signal when the mother ship is sighted	10				
First-aid kit with injection needles	Needles for airmen; medicines will fit special aperture in NASA space suits	7				
Solar-powered FM receiver-transmitter	For communication with mother ship; but FM requires line-of-sight transmission and short range	5				

Error points are the absolute difference between your rank and NASA's. 0-2 is Excellent, 3-5 is Good, 6-10 is Average.

LIFE SKILLS TRAINING PROGRAM ON HEALTH & HYGIENE

DATE : 05TH JANUARY, 2021

RESOURCE PERSON : Ms. Deepa Balan, Consultant Nutritionist, Meitra Hospital & Faculty, State Institute of Hospitality Management

STUDENTS ENROLLED : 70

A One-day Life Skills Training Program on Health & Hygiene was conducted on 05th of January, 2021 lead by Ms. Deepa Balan, Consultant Nutritionist, Meitra Hospital & Faculty, State Institute Of Hospitality Management for 70 students. In the first session, the importance of health and the methods to maintain a healthy life style was covered. The speaker addressed the current scenario of Covid 19 pandemic that jeopardised the health of the people globally and emphasised on the importance of a hygiene in preventing the spread. In the 2nd session the speaker discussed the different bacterial and diseases, methods of prevention and treatment. In the session that followed, First aid for burns, accidents, snake & insect bite etc were discussed in detail. The different methods to follow a hygienic lifestyle to stay healthy was also detailed, The session came to a close at 6 pm.
