## **CRITERION 7.1.8**

**Institutional initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.**

<b>S. No.</b>	<b>Contents</b>
<b>1.</b>	<b>Cultural &amp; Religious inclusion</b>
<b>2.</b>	<b>Love, Respect and Care</b>
<b>3.</b>	<b>Health, Hygiene &amp; welfare</b>
<b>4.</b>	<b>Socio economic diversities</b>

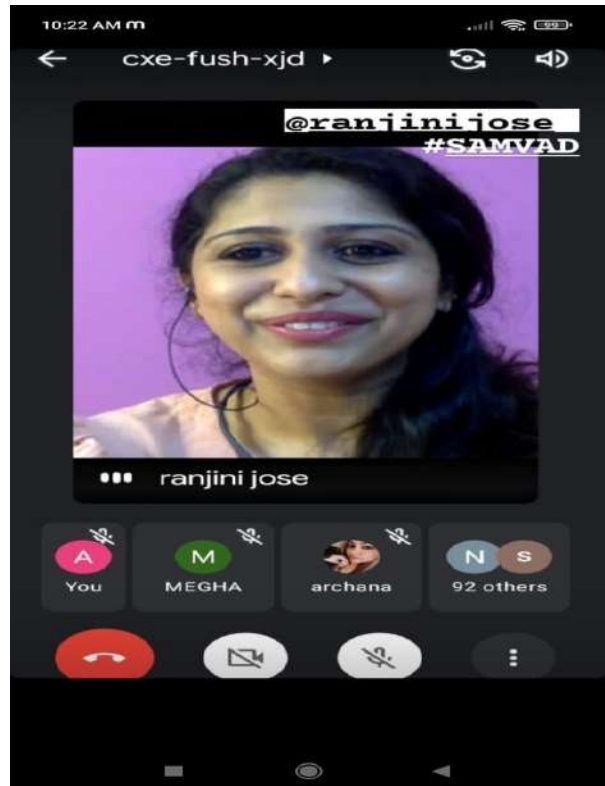

## 1. Cultural & Religious Inclusion

The relationship between culture and religion is revealed in the motivation and manifestation of cultural expression. Religion can influence the culture of an entire community, nation, or region of the world. The institution organizes programmes by including various cultural and religious aspects.

### Dalit studies

The department of English Organized a webinar on the topic Dalit studies on 22nd December 2020 through google meet. The resource person of the session was Dr. Rekha Raj, Assistant Professor, Gandhian Thought and Development Studies, Mahatma Gandhi University. Dalit studies is a new field of research in India which looks at the problem of marginalised groups, namely Dalits, tribals, religious minorities, women from excluded groups, denotified tribes, physically challenged and similar groups in economic, social and political spheres. The session explains the vision of tribal groups and their rights to equality.

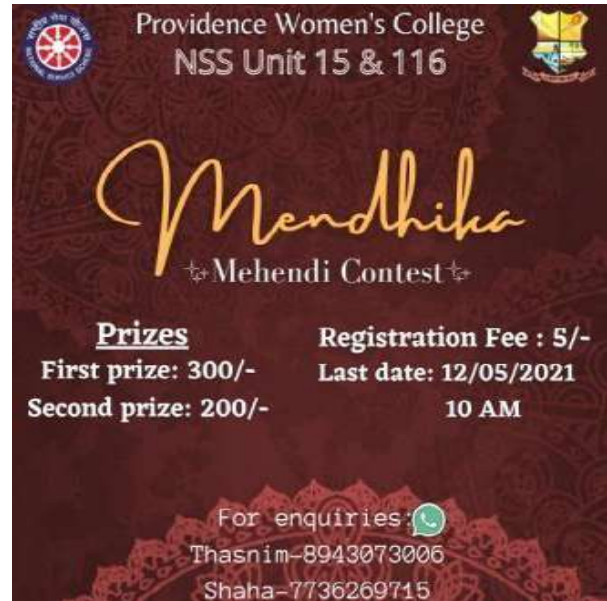

### Harmony in being

On 22nd November 2020, the eighth edition of the online discussion series hosted by Let's Chat discussion forum in Collaboration with the Department of Psychology. Arranged a session with Ranjini Jose (Musician, Actress). She shared her thoughts on finding harmony in following one's convictions. Rajini explained how people should give importance to harmony in their life and music is the best way to live in peace. Students were encouraged to listen to music which is the best method for relaxation.

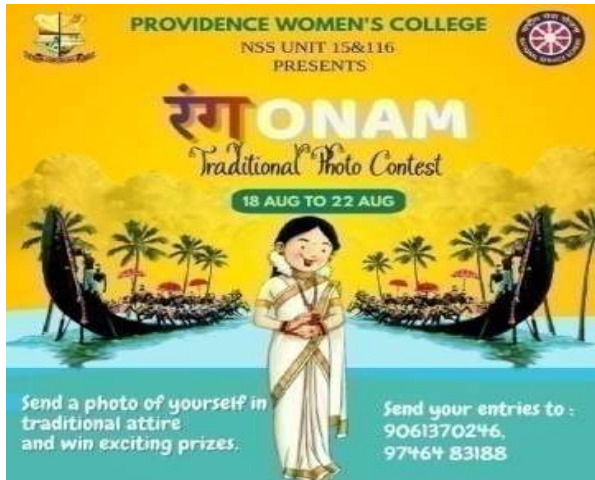

### **Eid ul Adha: Breadbox Shawarma Recipe**

The Department of Commerce organized a programme on 30<sup>th</sup> July 2020 to celebrate Eid ul Adha for honouring the willingness of Ibrahim (Abraham) to sacrifice his son Ismael (Ishmael) as an act of obedience to God's command. On the occasion of Eid ul Adha, Malavika of Third B. Com contributed a "Breadbox Shawarma Recipe" which was uploaded on the department YouTube Channel 'Calypso'. The students should be encouraged to celebrate all the festivals despite the difference in caste and creed. The aim of the programme is to support all religious and cultural inclusiveness among students.

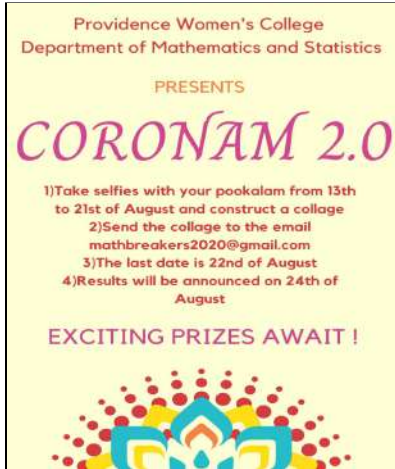

### **Eid-ul-fitr : Mehendi contest**

On 13th may 2021, the NSS volunteers of Providence women's college conducted a mehendi contest named mendika on behalf of eid-ul-fitr. The aim of the programme was to find out the creative talents among students and to celebrate eid.

Many programmes were organized and conducted through online platforms. Students portrayed their love and care towards the juniors and enthusiastically welcomed them to the campus.

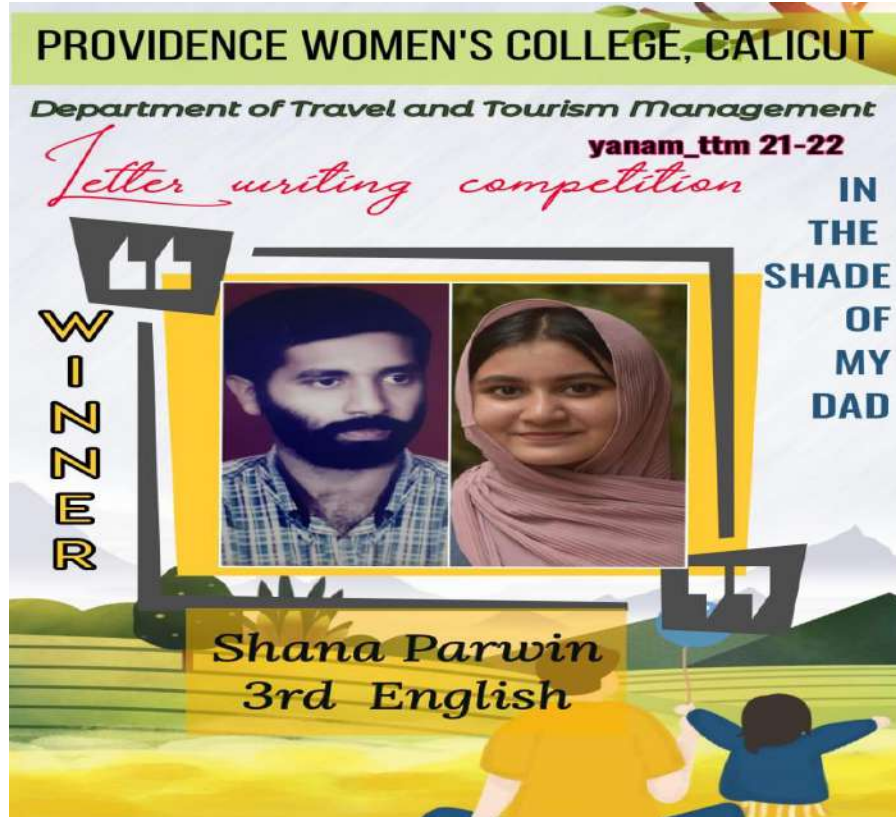

### **Past days : Farewell party**

The students of the Department of Physics organized a farewell program for their seniors on 24th March 2021. The students shared their experiences and showcased their love towards their seniors through various programmes. Teachers and juniors expressed their good wishes to the final year students.

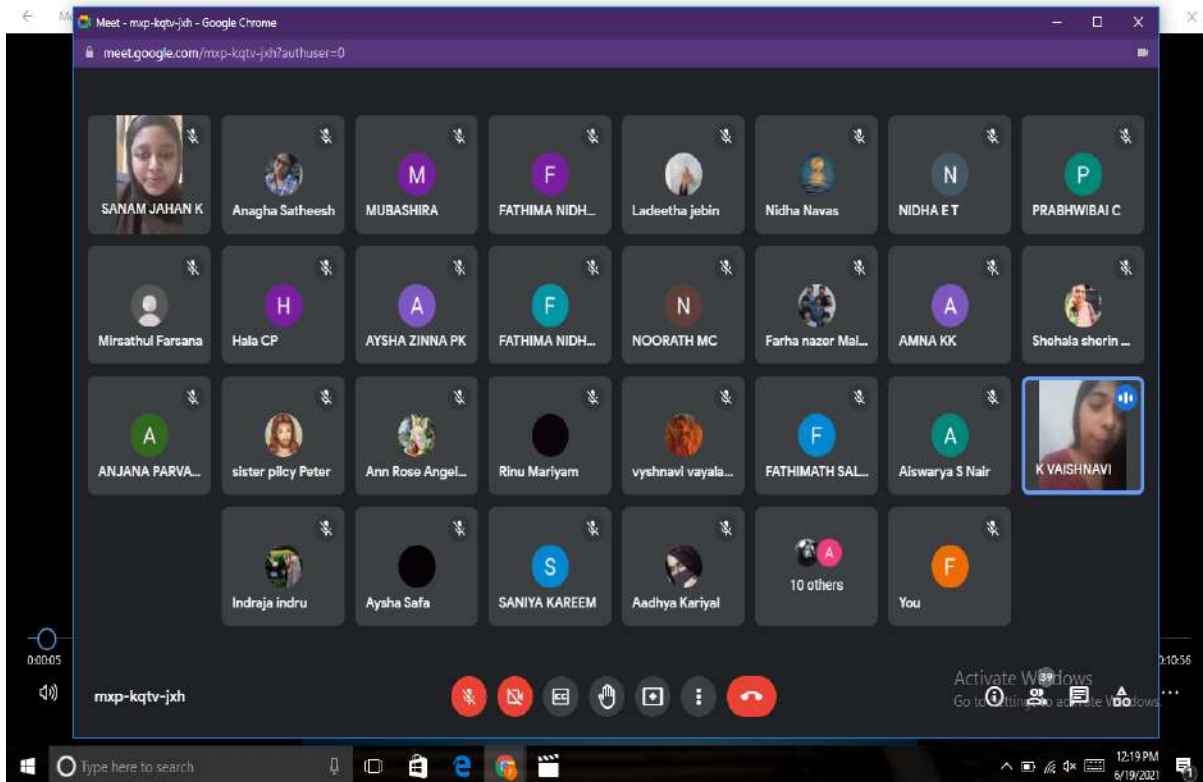

### **‘Adeus Festa’**

The 2nd year students of the Economics department organized a farewell party ‘Adeus Festa’ on 31st March 2021 in the college Auditorium. The program commenced at 10:30 am with a grand welcome for the 3rd year students. The students and teachers of the department shared their memories, nostalgic events and inspiring experiences. The teachers wished all the final year students at the end of the program. Teachers shared their love and blessings on the occasion.

### **In the Shade of my Dad**

On 20th June 2021, the Department of Travel and Tourism Management conducted a letter writing competition named "IN THE SHADE OF MY DAD" in which students have to write a letter to their fathers, in the competition few students participated from the college as well as from outside the college. This competition gives students an opportunity to share their feelings and love towards their father. The focus was to make students aware about the sacrifices a father makes for the betterment of the child.

## LOVE TO READ

On 19th June 2021, Department of Travel and Tourism Management celebrated LOVE TO READ in connection with READING WEEK. The program commenced at 12:15pm on Saturday. Students from second year BTTM and third year BTTM along with teachers participated in the program. The aim of the programme was to generate a reading habit among students which will shape their attitude towards society. The reading habit will create more values like humanity, patience, sympathy, love and care among students.

## Sign language

The department of English organized an awareness class on sign languages, as part of observing the International Week of the Deaf on 26th September 2021, where teachers of Karuna Institute for the Dumb and Deaf gave insights to our students about the use of sign language. The feelings and difficulties of a deaf and dumb person were shared during the session. The students of the department also tried to learn sign language and actively interacted with them. The session was mainly developed to make students aware about the life of Differently abled person and the heights that they can reach independently.

### Love for Teachers

The students of Physics department shared their love for the teachers of Physics department on teachers day. Students created a video, shared their experiences and showcased how a teacher mold the character of a student. Respect towards their teachers was expressed on the occasion.

### **Mentor's Special Day**

Teacher's day programme was conducted through google meet on 05.09.2020 at 9 AM to honour and felicitate the teachers of the department by the students. Then a video prepared by students for teachers was presented. Representatives of the students talked about their interaction with each teacher and their experiences in the department.

## Happy Retirement

The department of Physics organized a retirement party on 24th march 2021 for Ms. Sumangla and Ms. Gigi. The teachers and students of the department shared their good memories with Ms. Sumangla and Ms. Gigi. Students organized programmes as a tribute to the services of the retiring staff on campus.

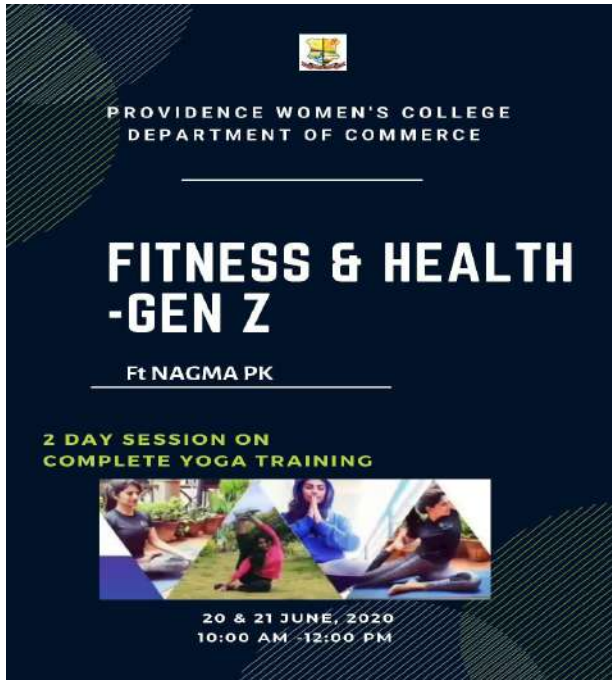

### **Honouring the Service**

On 26th February 2021 the department organized a farewell party to the Head of the department Ms. Gigi Abraham and honoured her for the 28 years of compassionate service to the department. Teachers and students shared their beautiful memories and created a video showcasing her service. The department of Chemistry also arranged a farewell party to Mr. Rajan, who served as laboratory assistant in the department for five years. The teachers and students arranged the farewell on 2nd November 2021 to honour his selfless service to the department.

### 3. Health, Hygiene & Family Welfare

The institution arranges programmes for the wellbeing of staff and students. The ultimate aim is to encourage students to maintain health and prevent the spread of diseases.

#### **Get Relaxed with Yoga**

On International Yoga day, the Department of Commerce arranged 2 day online yoga sessions for students and teachers. Nagma P K, our alumni, was the fitness coach for the session. The timing of the session was 10 am to 12 pm on both days. Majority of students participated in the session and they felt relieved. The staff and students were able to relax after the Yoga session. The resource person also shared the need for Yoga in the daily life of a person as it improves flexibility, stress relief, improves mental health, reduces inflammation, increases your strength, reduces anxiety, improves quality of life, boosts immunity etc.

### **Stem cell donation as an aid to treatment**

The Nss unit of Providence Women's College has organized a stem cell donation class to spread awareness and motivate volunteers to become active stem cell donors. As a part of the programme, Jeevitha Jyothi Biju after participating in a webinar conducted on 15th February 2021, became an active stem cell registered donor. After understanding the importance of stem cell donation (stem cells are being used to treat a wide variety of serious blood and bone marrow diseases, such as leukemia. As such, more and more healthcare services are requesting stem cell donations to aid in their treatments.) The aim is to build a service mentality towards mankind.

### One day One lady : Blood Donation

The NSS volunteers of the institution are active members in blood donation forums. Many volunteers have shown deep interest in donating their blood during the distress. The students have courageously come forward to donate blood during covid 19 pandemic. The motto behind the donation is to make a decision to donate blood that can save a life.

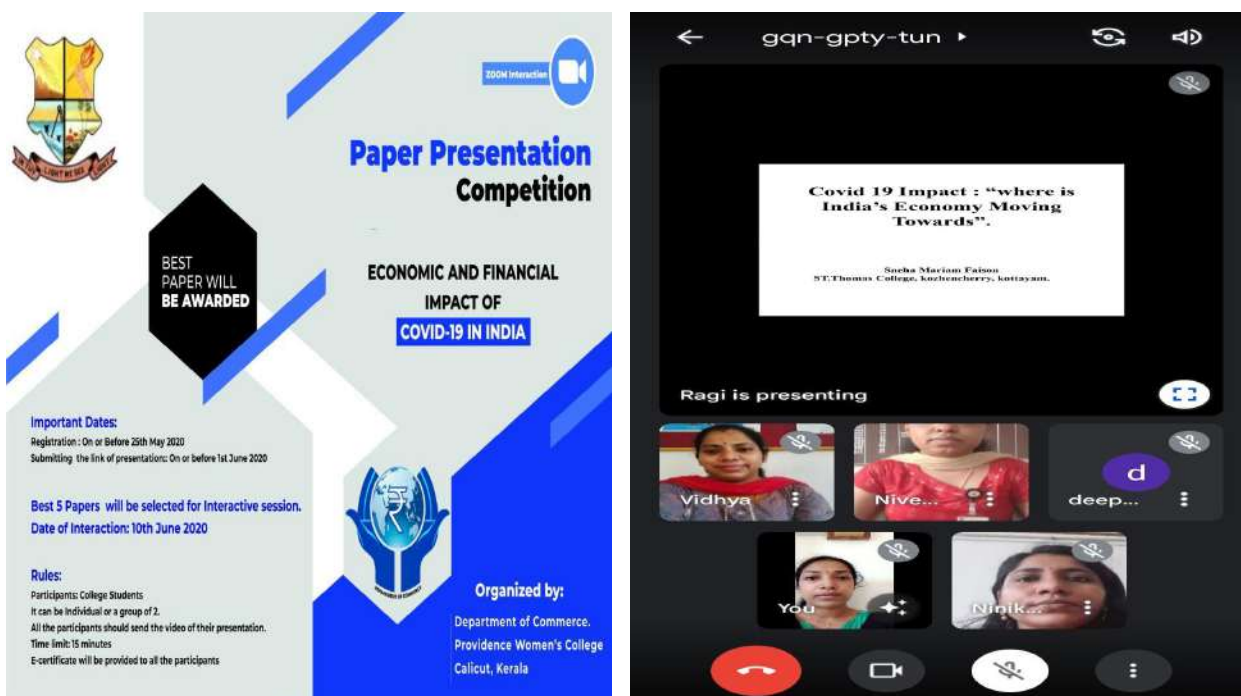

### Food for Destitute

As part of International day in support of victims of torture, Department of Travel and Tourism donated Rs.5000 for one full day food for destitute in Balikasadanam, Cheruvatta, Calicut on 27th June 2021. Students were encouraged to share a meal or an amount of money towards welfare activities towards society.

## 4. Socio economic diversities

The social standing of individuals who are members of the institution influence their learning skills. The institutions include people having the same social, economic, political and educational status. The programmes organized by the college allows a student to confidently meet the socio-economic challenges.

### **Economic & Financial impact of COVID-19 in India**

The Department of commerce organized an Inter collegiate paper presentation competition on the topic “Economic & Financial impact of COVID-19 in India”. Covid 19 is not only a global pandemic and public health crisis; it has also severely affected the global economy and financial markets. The presentation was organized on 10th June 2020 and the aim behind the paper presentation is to develop ideas to overcome the problems that covid has created for the business world. There were 42 students participating in the event and Sneha Mariam Faison, St.Thomas College, Kozhencherry, Kottayam won Best Paper Award. The title of her presentation was Covid 19 impact: Where is India’s economy moving towards.”

### **Follow Protocols : Sanitisation-Mask-Social Distancing**

Sticking of posters to create awareness in public space was undertaken by the NSS students. Posters depicting SMS (Sanitisation-Mask-Social Distancing ) and the need to understand the gravity of a Covid struck nation and maintaining caution were circulated in public spaces by the volunteers on 18th of August 2020. The programme aimed to generate awareness on following covid protocols and maintaining social distancing.
