2. Scholar Support Programme (SSP)

The programme aims at extending additional support to students in the subjects included in the curriculum through personalized mentoring and providing study materials during all the six semesters of the undergraduate programme. External mentoring sessions are also provided on life skills, learning skills and skills in Information Technology.

3. Walk With a Scholar (WWS)

The programme arranges specialized mentoring to advanced learners at the undergraduate level. Visit to Centres of Excellence in various fields is a regular feature of the programme.
