USAGE STATISTICS (BETA STAGE)

Note:

- The N-LIST Programme has implemented a new method for reporting usage statistics with the change in N-LIST Access Methodology from July 2021. The new usage statistics now include page views and unique sessions for each user of the college based on the logs generated from N-LIST.
- The new usage format is implemented from July 2021 and the usage statistics will be available in beta mode till January 2022. There may be minor change in usage if any error reported during the **beta stage**.
- Usage statistics of users are updated in the first week of every month.

Start Month * 2021-11 End Month * 2021-11 Old Usages Format

About N-LIST

Background

The Project entitled "National Library and Information Services Infrastructure for Scholarly Content (N-LIST)", being jointly executed by the e-ShodhSindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, IIT Delhi provides for i) cross-subscription to e-resources subscribed by the two Consortia, i.e. subscription to INDEST-AICTE resources for universities and e-ShodhSindhu resources for technical institutions; and ii) access to selected e-resources to colleges. The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre.

N-LIST: Four Components

The project has four distinct components, i.e. i) to subscribe and provide access to selected e-ShodhSindhu e-resources to technical institutions (IITs, IISc, IISERs and NITs) and monitor its usage; ii) to subscribe and provide access to selected INDEST e-resources to selected universities and monitor its usage; iii) to subscribe and provide access of selected e-resources to Govt./ Govt.-aided colleges and monitor its usage; and iv) to act as a Monitoring Agency for colleges and evaluate, promote, impart training and monitor all activities involved in the process of providing effective and efficient access to e-resources to colleges.

The INDEST and UGC-INFONET are jointly responsible for activity listed at i) and ii) above. The INFLIBNET Centre, Gandhinagar is responsible for activities listed at iii) and iv) above. The INFLIBNET Centre is also responsible for developing and deploying appropriate software tools and techniques for authenticating authorized users.

Note: From Year 2014, N-LIST programme is subsumed under e-ShodhSindhu Consortium as college component. The colleges (except Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing) in India are eligible to get access e-resources under N-LIST programme.

Plagiarism Checker Software

The screenshot shows the web interface of Ouriginal, a plagiarism checker. The browser's address bar displays the URL `secure.ouriginal.com/inbox/inbox`. The interface is divided into a left sidebar and a main content area. The sidebar contains the 'Ouriginal' logo, a '+ CREATE / UPLOAD' button, and two menu items: 'Inbox' (which is selected) and 'Bin'. The main content area is titled 'Inbox' and features a search bar with a magnifying glass icon and the text 'Search'. Below the search bar, there is a pagination indicator '1 - 0' with left and right navigation arrows. A table header is visible with columns for 'Name', 'Similarity', 'Submission ID', and 'Date Uploaded' with a dropdown arrow. The central part of the page displays the message 'Your Inbox is empty' followed by the instruction 'To add documents drag them here or use the upload button'. At the bottom of the page, there are two links: 'License and Agreements - Privacy Policy' and 'providencollegecalicut.unicaiganalysis.ouriginal.com'.
