REPORT OF THE SEMINAR ON 'IPR and Patents'

The second seminar of the IPR webinar series, organised by the Department of Botany was conducted on 19th January 2022 at 10.00 am. The seminar was on IPR and patents. Ms. Fathima Febin CP was the resource person. 55 students from the first semester of MSc and BSc Botany attended the seminar. A patent is an exclusive right granted for an invention, which is a product or a process that provides, a new way of doing something, or offers a new technical solution to a problem. A detailed account on how to get a patent was given through the seminar in a very effective manner. The programme came to an end at 2.00 pm.
