Mariya s john (Welcome speech)

Ameena (vote of thanks)

Date: 29th January 2022 (Saturday)

Time: 10 AM

Preamble:

The day began with Mr Thayyaib Mohiudeen on the topic online trading.

- Online trading is **electronic trading with the help of internet and computers**. The user can search for stocks available on different exchanges, decide on the broker who offers the best price and an intuitive trading experience.
- He said types of trading: Day Trading. Day Trading is one of the most common forms of trading. ...
 - Position Trading. Position trading is a longer-term strategy where traders buy and hold securities for longer periods of time.
 - Swing Trading
 - Scalping.
 - Online CFD Trading.
- Experts also state that **online trading is as safe as offline trading** as the financial transactions are always protected. ... A number of online share trading frauds happen through fake websites that lure customers with offers and advice. These are those sites that gain the user's information.

- It eliminates the middleman: It's cheaper and faster: When a broker executes your trades, it costs you more money. It offers greater investor control: One of the most important advantages of online trading is that it gives you greater control over your investments.
- **Hedging against investment risk** means strategically using financial instruments or market strategies to offset the risk of any adverse price movements. Put another way, investors hedge one investment by making a trade in another.
- Hedging in trading is where **you open a position that goes against a current open position**. So, if you have an open long position on Apple, and then wish to short Apple as you believe its price will fall, you can then hedge Apple by opening a new short position. Both positions will then be open simultaneously.

Overall, the meeting was a great experience to all the students. Attendance and feedback from the students has also been collected.

PREAMBLE:

BBA Department of Providence Women's College organized a webinar on the topic "Speak up and be somebody" with an objective to motivate and foster a growth mindset among the students.

The resource person of the webinar was Mrs.Anjali C.K, Assistant professor, Department of Language and Literature, St. Joseph's College, Devagiri, Calicut.

Mrs.Anjali C.K highlighted how Motivation of learning activities helps the pupil to concentrate on what he/she is doing, and thereby to gain satisfaction. She made the session lively by asking the audience a few questions and sharing their views. The session was interactive and effective . It ended with a round of discussion and vote of thanks by Jadiya Farha of 1st year BBA department.

There were 53 participants in the webinar.

PROGRAMME SCHEDULE:

- Compering : Dhaniya (1st BBA)
- Prayer: Sreelakshmi (1st BBA)
- Welcome speech: Jadiya Farha (1st BBA)
- Vote of thanks: Vasanthika E.K (3rd BBA)
- Speaker: Hasina Habeeb
- Faculty: Deepa Sudheer
Prasy V. K

The Department of Business Administration conducted a session on the topic 'HOW TO BE FOCUSED IN LIFE' on 4th March 2022. In this session the speaker covered the following points:

- She asked us to analyse the purpose of our life.
- She taught us about both Self-love and selfless-love.
- She told us about the role of meditation in achieving focus in our life.
- Made us understand about our conscious and subconscious mind.
- She inspired us through her life experience

It was a very interactive session. She gave a clear picture of how our life should be and how much we should be focused in our life. By the end of this session we got a clear picture of motivation, focus, mindset , love-affirmation and its role in our life. Overall the session was very informative and the students actively participated.

The seminar was attended by students of the Department of Travel and Tourism, Department of Computer Science and the Department of Business Administration. Around 95 BBA students had participated in the seminar .

Date: 17th February 2022

Time: 10 AM

Preamble:

The Department of Business Administration of Providence College organised a seminar on “Awareness on Accounting Packages” with an objective to provide students awareness and a basic knowledge on the various accounting packages. Accounting packages is a piece of software that a business uses to organize its financial records. He gave the students an idea about Tally which is an accounting software package that is used to record day to day business data of a company. The session was very effective with student interaction.

The second years were the participants of the seminar.

Report on the life skill webinar 'Footprints' conducted on 21st January 2022

A life skill webinar 'Footprints' was organised by the Department of Chemistry. The session was handled by Dr. Sheeba P. S., Associate Professor, Dept. of Chemistry, Malabar Christian College, Calicut. Dr. Sheeba is one of the prominent alumnae of the department who has completed her B.Sc. chemistry in 1989 from Providence women's College. The session was very lively and students were highly motivated listening to the life story of Dr. Sheeba. She stressed on the importance of value oriented education and the responsible use of social media. The talk was conducted by the online platform of Google Meet from 7.00 pm to 8.45 pm.

**Report on skill enhancement webinar conducted for the ‘Buddy tutors’ of
Department of Chemistry**

Skill enhancement webinar “Tips and Strategies for Successful Tutoring” was conducted on 11th June 2021 by Dr. K.V Muhammed, Assistant Professor, School of Pedagogical Science, M. G. University, Kottayam. The webinar focused on enhancing the tutoring skills of the students who are offering classes for 10th standard students of Parambil Bazar HSS as a part of our extension activities.

Department of Chemistry

Biweekly Powerpoint Presentation by Students 2021-22

Biweekly power point presentation was organized by the Department of Chemistry in order to improve the knowledge, language and communication skill of students. Students from different batches presented various topics. At the end of each presentation, there was a session for discussion. The list of students presented and the titles of their talks, brochures and participants list are given below.

SI. No.	Date of the event	Name of the Student	Class of Study	Title of the Talk
1	16/06/2021	Sona K. S.	III Chemistry	Food adulteration-Types, Methods and health Hazards
		Suriya Thomas	III Chemistry	
2	24/06/2021	Aiswarya A. O.	III Chemistry	Common Food Adulterants and their Detection
		Aiswarya O.	III Chemistry	
3	15/07/2021	Aryananda M.	II Chemistry	Water Pollution
		Aswini V.	II Chemistry	
4	29/07/2021	Ajanya K. Anil	II Chemistry	Water Quality Parameters and their Monitoring
		Aparna V.	II Chemistry	
5	23/09/2021	Amaya N.	III Chemistry	Aspects of Food Safety
		Alphonsa P. J.	III Chemistry	
6	13/10/2021	Ayisha Mirsa	II Chemistry	Determination of Chemical Parameters of Water-DO, BOD, COD
		Gayathri G. K.	II Chemistry	Bacteriological Analysis of water
7	12/01/2022	Akhina K Krishnan	I Chemistry	History and Need for Vaccine
		Liya Denny	I Chemistry	Mechanism of Vaccine

Report on Bridge Course offered by Department of Chemistry during 2021-22

Bridge course on '**Basic Concepts of Organic Chemistry**' is a 15 hours course offered to second year B.Sc. Chemistry students as well as Second year B.Sc. Physics, Zoology and Botany students who have Chemistry as their complementary course. The course commenced on 04-10-2021 and classes were handled by the faculties of the department. The course was benefited to 147 students, and it helped the students to revise and recollect the organic Chemistry they have learnt in higher secondary classes. In addition to that some new concepts were taught as an introduction to the Organic Chemistry course which they are learning during second year. Examination was conducted at the end of the course for each batch. The syllabus, list of students enrolled and the examination results are listed below.

BRIDGE COURSE SYLLABUS
BASIC CONCEPTS OF ORGANIC CHEMISTRY
(Total hours = 15)

1. Introduction to organic chemistry: Functional groups, Classification of organic compounds and nomenclature, Hybridization of organic compounds: Methane, Ethylene, Ethyne

2. Fundamentals of Organic Reaction Mechanism: Substrate, Reagents- Electrophiles and Nucleophiles, Reaction Intermediates: Carbocations, carbanions and free radicals (types, hybridization and stability). Curved arrow notations, Homolysis and heterolysis of bonds.

Electron Displacement Effects: Inductive effect: Definition – Characteristics - +I and –I groups. Applications: Explanation of substituent effect on the acidity of aliphatic carboxylic acids.

Mesomeric effect: Definition – Characteristics - +M and –M groups. Applications: Comparison of electron density in benzene, nitrobenzene and aniline. Hyperconjugation: Definition – Characteristics. Example: Propene. Applications: Comparison of stability of 1-butene & 2-butene.

Electromeric effect: Definition – Characteristics - +E effect (addition of H^+ to ethene) and –E effect (addition of CN^- to acetaldehyde).

3. Types of organic reactions: Addition, elimination, substitution and rearrangement reactions, (definition and one example each).

4. Concept of Aromaticity- Huckel's rule, classification of aromatic compounds, Heterocyclic compounds. Reactivity and orientation, Electrophilic and Nucleophilic substitution reactions.

5. Stereochemistry of organic compounds

Optical isomerism, Geometrical isomerism and conformational isomerism. R and S nomenclature, E and Z nomenclature.

Report on Remedial Coaching by the Department of Chemistry during
2021-22

Remedial coaching for Chemistry was offered to 32 students of I DC Chemistry. The classes commenced on 03-01-22. Faculties of the department handled the classes. These students were selected on the basis of their performance in the internal marks and found much improvement in their understanding and ability to present the answers. The list of students with attendance is attached.

REPORT- BREAST CANCER AWARENESS WEBINAR

Department of Commetce organized a breast cancer awareness webinar in association with VR Cancer centre from 2 :30 PM to 3: 30 PM through G-meet on October 8th 2021 Resource person for the day was Dr Nirmal, Consultant & HOD, Community Oncology, MVR Cancer Centre.

Resource person talked about importance of Hygiene. A total of 58 students attended the session. From the feedback given it was found that session was very informative.

AMITY WEBINAR ON SOFT SKILL TRAINING

In today's competitive world, the students who passed out of graduation not only have to make right career choices, they also have to be prepared to face the professional world by honing their soft skills. Whether they take up further studies or decide to go for a job, they have to overcome the hurdles of group discussion and personal interview. Many students falter at this stage.

It is here that we, as educators, have to step in.

In our endeavor towards building bridges with educational institutions in Kerala and as a student – centric initiative, we would like to address the students of your esteemed institution to equip them with the skills and confidence required to face the challenges in their career.

An interactive session of 40-45 minutes, on a date and time as per your convenience, would suffice to meet this objective. During this session, it will be our endeavor to address each and every query raised by the students.

EXAMPLES OF SOME EPIGEIC SPECIES

Perionyx excavatus

Agnes is presenting

REC

ENDOGIC SPECIES

- ◆ (Within the earth)
- ◆ Soil dwelling or upper soil species
- ◆ Built extensive, largely **horizontal burrows** in all layers of mineral soil
- ◆ Rarely come to the soil surface, spending their lives **in deep in soil**.
- ◆ Consumes large amount of organic matter within the soil
- ◆ Deposits their **casting in burrows**.
- ◆ Called as **geophagous**.
- ◆ Affect the mineral soil horizons and known as **ecosystem engineers**.
- ◆ **Less pigmented or without pigmentation.**
- ◆ They are whitish, pink, yellow or grey colour
- ◆ Have longer lifespan
- ◆ Lower reproduction rate.

REPORT OF THE CAPACITY BUILDING WORKSHOP ON VERMITECHNOLOGY

Capacity Building Workshop on Vermitechnology & Vermiculture was conducted on 22nd October, 2021 via google meet. Dr. Rini Joseph, Asst. Professor, Christian College, Chengannur, Alappuzha, Kerala outlined on the avenues in Vermitechnology, detailed on the protocols and methodologies of Vermicomposting. The speaker also added on the advantages of Vermiculture with emphasis to Organic farming.

REPORT OF THE CAPACITY BUILDING WORKSHOP ON CAREER OPTIONS IN LIFE SCIENCES

Capacity Building Workshop on CAREER OPTIONS IN LIFE SCIENCES was conducted in association with Alchemy, Puthiyara, Calicut, Kerala on 23rd June, 2022 to orient B.Sc Botany and Zoology students on future prospects in Life Sciences. Mr. Shymind Raj, Director of Alchemy and Shibin Das, Director of Life Sciences, Alchemy, Calicut addressed the students. The speakers detailed on the courses and institutions offering higher education, mode of entry, entrance exams and prospects in the foreign universities and colleges.

CAPACITY BUILDING COURSE OFFERED BY: DEPT. OF HUMAN RESOURCE MANAGEMENT

Course Instructor: Aleena Joy, HOD of the Department of Human Resource Management

Title : Entrepreneurship Toolkit for Beginners

Syllabus

Aim of the course

To develop and hone the entrepreneurship skills of students
Inspire a paradigm shift from becoming an employee to an employer
This course includes the basic concepts and practices required for an entrepreneur

About the course

Strategic techniques for a successful entrepreneurship focuses on introducing the interconnection between the creative thinking and entrepreneurial thinking and follows the role of interpersonal communication skills, conflict management and emotional intelligence while dealing with the people in and out of the firm. The course includes four modules with video lessons of 10 minutes, assignments and quiz. 85% of mark is required for the completion of the course.

Type of course: Introductory level

Who can participate: anyone who aspire to be an entrepreneur

Objectives of the course

1. To develop creative problem solving skills and face challenges with more confidence
2. To introduce practical conflict resolution techniques and strategies
3. To understand the competencies related to communicating with others
4. To understand how to demonstrate empathy in a wide range of situation

Course Outcome

1. To make students more confident while understanding the problem solving skills
2. To understand about the conflict resolution techniques
3. To develop the effective communication skills
4. To enhance the importance of empathy in day to day life

Module 1: Creative Thinking and Entrepreneurship

1. What is creative thinking
2. Different creative thinking techniques
3. Benefits of creative thinking

Module :2 - Interpersonal Skills

1. What is interpersonal communication skills
2. Importance of interpersonal skills
3. Developing your interpersonal skills

Module :3 Conflict Management

REPORT ON EXAMINATION STRESS AND MANAGEMENT WEBINAR

Resource Persons: Ms. Fathima Thasni PS and Ms. Yasaswany S

On 30 January 2022 Department of Psychology conducted a webinar session on "Examination Stress and Management" via google meet. Webinar was conducted in collaboration with Bodhita Psychological Services, Palakkad. The main focus of the webinar was to help students to prepare for exams without stress and to teach students with different stress management techniques. Ms. Fathima Thasni PS dealt with Examination stress and Ms. Yasaswany S dealt with stress management. Session started at 11:00 AM and ended at 12:30 PM. A total of 84 students attended the session. Overall, the session was a success among the students and was helpful in stress management
