Transorze Solutions, a reputed organization established in 2010 with 4 centers and 7 franchisees in Kerala and Tamil Nadu.

Date: 4th September, 2021 (Saturday)

Time: 3:00 PM

Preamble:

This webinar was conducted by Transorze Solutions in association with the Career Guidance Cell of Providence Women's College, Calicut. A discussion about the career opportunities was a need of the hour for students studying in various departments who have a keen interest in the IT sector and HBPO. Transorze Solutions gave a wholesome idea about the topic, major portions of the topic were subdivided into sections and explained in detail to the students. HBPO is a global market leader in the development, construction, assembly and logistics of integrated front-end modules (FEM). As the leading supplier, with headquarters in Lippstadt, Germany, and more than 30 plants worldwide, the HBPO Group manufactures every sixth front-end module (FEM) installed around the world, the IT sector opportunities provided by this module company is extensive. Each opportunity was illustrated with the qualifications and necessary skills required for the job. Job positions such as Senior cost estimator, Agente service desk, Ehs Specialist , Speculative application were analysed in depth.

There were a total of 138 participants in the webinar which included the speaker, teachers and students of various departments.

Transorze solutions:

Transorze Solutions provides highest quality training in HBPO (medical coding course, medical transcription course, and medical scribe course), BPO, Digital Marketing and OET. The

training imparted, is at par with international standards and is consistent across all our branches. Transorze Solutions is totally dedicated to providing training in HBPO courses viz. Medical Coding and Billing/Transcription/Scribing processes as well as BPO processes, Digital Marketing and Occupational English Test Training (OET). The key focus is to make the Indian youth world ready by enhancing their employability skill sets.

- Transorze Solutions started its journey with the aim of filling the demand and supply gap of medical transcriptionists.
- Transorze Solutions provides highest quality training in HBPO (medical coding, medical transcription, medical scribing), BPO, Digital Marketing and OET.
- Transorze deploys innovative and scientific established training methodologies, including a 24/7 access to its “Learning Management System” with user friendly interactive modules followed by chapter specific quizzes, self-evaluation and e-handouts.

This enables the students to get instant feedback on tests, evaluations, and achieve comprehensive knowledge, skills and confidence to start a highly rewarding career in the Healthcare domain. There is focus on an all-inclusive, holistic training approach. Special emphasis is placed on interview preparation by enhancing the soft skills / overall personality of the students, which enables them to conduct themselves impeccably, in both national and international corporate arena. It is because of this that Transorze students have excelled in their jobs and have been awarded recognitions at various levels. We continue to be

in touch with our alumni and keep them updated about job requirements, news, and developments related to Healthcare BPO domain. Given the above credentials, it is not surprising that Transorze enjoys a very high student happiness ratio and 100s of aspiring candidates enroll with Transorze every month.

The course content derived from the webinar is as follows

1. **HBPO** doesn't see careers as a one-way street. Each year they hold annual performance reviews where managers and staff discuss past achievements and plan the employee's on-going individual development.

2. **HBPO offers job security.** It is a successful company that enjoys stable growth. In more than 20 years it has reached the position of **world market leader** for front-end modules. What's more, it is still in that position and intends to stay there. It acts with all due caution, planning our growth carefully and diligently. It may be a module specialist, but the other product lines are also growing.

3. **HBPO is a TOP 100 automotive supplier** and an international company. It has more than 30 sites on three continents, always in close proximity to the customers.

4. **HBPO loves its products.** This is because their modules are complex, as are related tasks. HBPO is thrilled with what we do.

HBPO is diverse, in many respects. They employ people from different cultures and backgrounds. If you really want to give all you've got in your particular discipline, if you enjoy **thinking outside the box** and love working in a dynamic setting, then HBPO is just the right place for you!

5. HBPO offer **flexible working hours and part-time concepts** geared completely to the needs of the staff. Part-timers have their own individual part-time model. It goes without saying that they offer a modern working environment with ergonomic workplaces and plenty of scope for creative ideas and ways of working.

Feedbacks and attendance for the session was also collected from the students.

AVODHA -Education for a job

Date: 12th OCTOBER 2021 (Tuesday)

Time: 7:00 PM

Preamble:

This webinar was conducted by AVODHA – education for a job in association with the Career Guidance Cell of Providence Women’s College, Calicut. A discussion about the career opportunities was a need of the hour for students studying in various departments.

The course content derived from the webinar is as follows

- **DIGITAL MARKETING:** It refers to advertising delivered through digital channels such as search engines, websites, social media, email, and mobile apps. Using these online media channels, digital marketing is the method by which companies endorse goods, services, and brands.
- **AutoCAD:** AutoCAD is a computer-aided design (CAD) program used for 2-D and 3-D design and drafting. AutoCAD is developed and marketed by Autodesk Inc. and was one of the first CAD programs that could be executed on personal computers.
- **Excel, GST and Tally:** It is an all-inclusive guide for students and working professionals wanting to get an in-depth knowledge about Tally. Helpful for students who are interested in pursuing accounting.
- **Medical coding:** Medical coding is the transformation of healthcare diagnosis, procedures, medical services, and equipment into universal medical alphanumeric codes.
- **Ethical hacking:** Ethical hacking involves an authorized attempt to gain unauthorized access to a computer system, application, or data. Carrying out an ethical hack involves duplicating strategies and actions of malicious attackers. ... Also known as “white hats,” ethical hackers are security experts that perform these assessments.

- **Game development:** The act of creating a game; sometimes referred to as “gamedev.” The game development process typically requires input from one or more game designers, artists, programmers, animators, testers, project managers, etc., though some games have been created by just one or two game developers.
- **Artificial Intelligence and Data Science:** It is a new branch of study which deals with scientific methodologies, processes, and techniques drawn from different domains like statistics, cognitive science, and computing and information science to extract knowledge from structured data and unstructured data.
- **Python and Django:** It is a high-level Python web framework that enables rapid development of secure and maintainable websites. Built by experienced developers, Django takes care of much of the hassle of web development, so you can focus on writing your app without needing to reinvent the wheel.

DATE ON: 22ND SEPTEMBER (WEDNESDAY)

TIME: 3:00pm

Preamble

The day began with a webinar on the topic “HR Connect” -Human Resource by speaker Mr. Ashok Sharma.

The course content derived from the webinar is as follows as:

- What is HR? Human resources are the set of people who make up the workforce of an organization, business sector, industry, or economy. A narrower concept is human capital, the knowledge and skills which the individual's command. Similar terms include manpower, labor, personnel, associates or simply: people
- The course of Human Resource Management mainly focuses on administrative services, staff administration, and performance management, and most importantly, on the hiring process.
- The course helps the students to study and get the knowledge and principles that are required to handle the human resources of the company.
- Subjects required for HR English Home Language or English Additional Language, Mathematical Literacy and/or Accounting. National Diploma in Human Resource Management or equivalent qualification with Industrial Psychology or Human Resource Management. Three years full-time study. Four to eight years of part-time study.
- For pursuing a course in Human Resource Management, an aspirant should be a bachelor's degree holder (10+2+3 of pattern) in any discipline from a recognized university with

at least 50 % marks in aggregate. In case of SC/ST/OBC the minimum marks can be 45%.

- A human resource degree program is very hard if the student has trouble managing and communicating effectively with other people. ... Their goals can become fulfilled after completing difficult courses on compliance, loss prevention, accounting, marketing, business law, and international finance.
- HR managers in India get INR 7.03 lakh per annum on average. New and inexperienced HR managers get up to INR 2.92 lakh per annum while experienced professionals in this field can make up to INR 20 lakh per annum. It certainly offers a lucrative HR salary in India, making it one of the most popular career choices.
- Human resources (HR) or talent management, as HR is increasingly referred to, is a profession that consistently ranks high on lists of best careers. U.S. News & World Report ranks the role of human resources specialist No. 17 on their list of Best Business Jobs and as one of the 100 Best Jobs overall for 2020.

There were a total of 100 participants in the webinar. Consisting of teachers from all departments, speakers and 80 students were present in the meet.

Overall, the session was great and useful to the students of all departments. Feedback from the students has been collected.

~~Preamble:~~

The day began with a webinar on the topic “Nurturing Women”. The program was conducted in association with JCI Kallai. The resource person was Shalini Dinesh,

Home Caterer, Founder Wrap a Meal assisted by Sonia Rajeesh and Amalu Mariya Chacko (JC Week Coordinator).

Junior Chamber International, commonly referred to as JCI, is a non-profit international non-governmental organization of young people between 18 to 40 years old. It has members in about 124 countries and regional or national organizations in most of them. It was formed on 13rd October, 1915.

Sonia Rajesh is a soft skills trainer who is passionate about training. She conduct trainings in several niches like Communication skills training, Excel and Powerpoint Presentation, Grooming and Etiquettes for individuals and corporates.

Today's working women has to handle multiple complex challenges. While building a successful career skillfully at the workplace, she is also expected to run the home and manage stakeholders adroitly at both fronts. To be nurturing requires a practise of humility, love and gentleness so that other people feel safe to be who they are in your presence. Female entrepreneurs are women who organize and manage an enterprise, especially business. Female entrepreneurship has steadily increased during the 20th and 21st century. Women entrepreneurs account improved economic growth and stability within a country. Women entrepreneurs inspire other women to start working. This leads to more job creation for women which ultimately helps in reducing the gender gap in the workforce.

There were a total of 80 participants in the webinar that consisted of teachers, students from different departments, speakers, etc. Overall, the session was quite interesting and useful. The webinar also inspired us to stand on our own feet. The response of the meet was also quite good.

Workshop on :

LIFE SKILLS DEVELOPMENT TRAINING PROGRAMME

Dated on: 7th August 2021 to 13th August 2021

Duration :24 hours

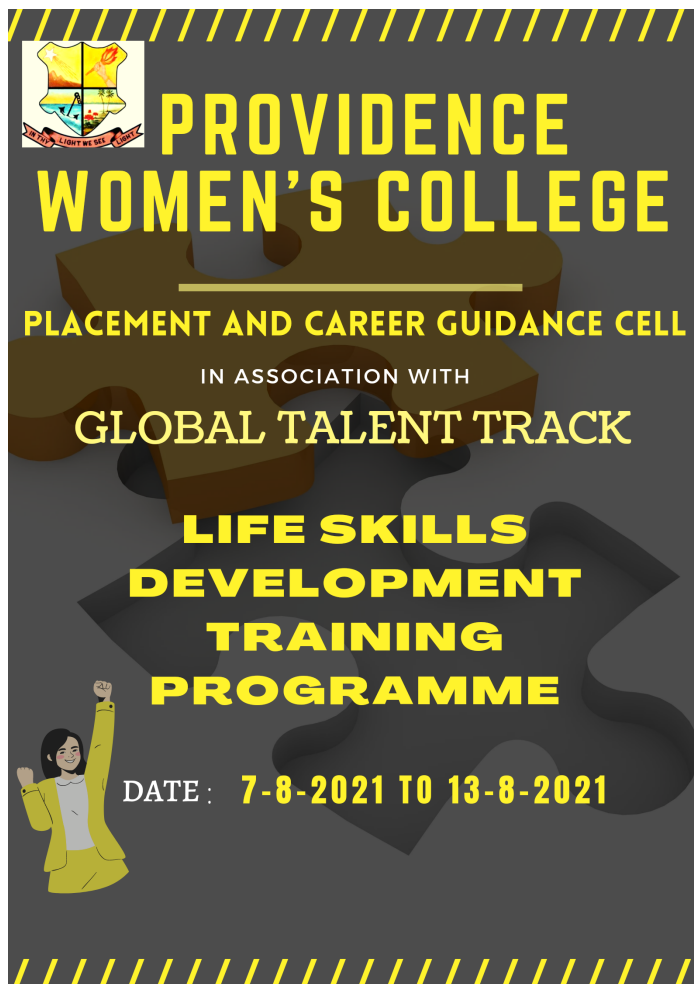

Preamble :

Our college conducted a life skills development training program in association with Global Talent Track.

This venture aims to provide 'quality with scale' through programs delivered with the help of innovative technologies and compelling content. It was a high impact workshop on soft skills and communication by various experts. Students from different departments from our college participated in this workshop. The first day was all about online image, self awareness, grooming, body language & interview skills. The second day was about making students understand more about values, ownership, respect, teamwork, corporate readiness like flexibility, time management, stress management, mock interviews and group discussions. The

total duration of the workshop was twenty four hours. Finally students received e-certificate from GTT foundation.

# CLUB ACTIVITIES 2021-2022

## 1. MANAGEMENT CLUB

Interdepartmental management fest- CHALLENGE was conducted in the month of March. This was conducted among the three years to enhance the hidden entrepreneurial ability in each student. Students were asked to launch a product based on the concept of Disaster Management. First years presented a product named FLOTDOOR which was helped to save people at the time of flood.

The WHOLE NEXUS was the product proposed by the 2<sup>nd</sup> years which gives alert message to the public and 3<sup>rd</sup> years presented BAYMAX which is engineered to perform potentially lifesaving task in dangerous conditions and increase effectiveness of resource mission. A presentation was conducted by all the three years about their respective product. The other competitions on challenge are 1. Brand war. 2. Window dressing 3. Movie spoof 4. Product launch.

## 2. CONSUMER CLUB

### Skill Expo –MERIKA

The students of BBA Department of our college had organized a Skill Expo 'Merika' on 21 February 2022 to enhance their creativity and also to upgrade their marketing as well as managerial skill. The students displayed their talents in various ways which had left everyone overawed. A wide array of items such as paintings, handicrafts, relishing food stalls, games, etc., had been prepared by the students.

# Report on the activities of R & D cell of the Department of Chemistry during the year 2021-22

## (1) International Webinar

As part of 'KHOJ' International multi-disciplinary webinar series launched by The Research and Development cell of Providence Women's College, the R & D cell of department of Chemistry conducted a webinar on the topic 'Nanotechnology for Future Energy'. The webinar commenced at 4.00 pm on August 6<sup>th</sup> 2021, on the virtual platform, Google Meet. The session was handled by Dr. Subila K. B., post-doctoral research scholar at Artificial Photosynthesis Lab, Department of Chemical Engineering, Ben Gurion University, Negev, Israel. She discussed the role of nanoscience for the development of sustainable technologies for generating and storing energy. There was an interactive session at the end during which Dr. Subila addressed the questions posed by the students and shared some of her research experiences. The session ended by 5.35 pm.

The poster is titled "RESEARCH AND DEVELOPMENT CELL PROVIDENCE WOMEN'S COLLEGE Department of Chemistry". It features the KHOJ logo in the top left corner. The main text reads: "TMC : NANOMATERIALS FOR FUTURE ENERGY". Below this, it lists the speaker: "Dr. Subila K B (Post Doctoral Research Scholar, Artificial photosynthesis Lab, Department of Chemical Engineering, Ben Gurion University of the Negev, Israel.)". At the bottom left, there is a circular portrait of Dr. Subila K B. At the bottom right, there is a Google Meet logo, the date "06/08/2021", and the time "4 pm".

## **(2) Project presentation by Alumnae\_2018-2021 batch**

Project presentation by the students of 2018-2022 batch was conducted on 02/09/2021 at 3:00 pm via Google meet. Ms. Anusmera P. and Ms. Anjali E. M., presented their projects, “Determination of Caffeine in Tea Sample” and “Study of Corrosion Inhibition of Mild Steel using Tamarindus Indica Rind” respectively. The project works were carried out in groups from the department of Chemistry, Providence Women’s College, Calicut. There was interactive session after each presentation to clear all the queries. The session came to an end by 4.15 pm. The brochure and list of participants are attached.

## THE TEA PLANT

- ▶ The tea plant is an evergreen of the camellia family that is native to China, Tibet and Northern India.
- ▶ Two main variety of tea plants are: camellia sinensis and camellia asamica .
- ▶ The plant produces dark green, shiny leaves and small white blossoms.
- ▶ The altitude and mountain mist help shield against too much sunlight and provide proper temperature and humidity to allow the leaves to develop.
- ▶ The taste and quality of tea influenced by both environment and tea maker.
- ▶ Leaves from the earlier flushes, usually in the spring give the finest quality tea.
- ▶ Main types of tea ; green tea, black tea, oolong tea, white tea.

### (3) Life Skill Webinar 'Footprints'

A life skill webinar 'Footprints' was organized by the department of Chemistry as part of the 'Catapult' webinar series organized by the Research and development cell of Providence Women's College, Calicut. The session was handled by Dr. Sheeba P. S., Associate Professor, Dept. of Chemistry, Malabar Christian College, Calicut. Dr. Sheeba is one of the prominent alumnae of the department who has completed her B.Sc. chemistry in 1989 from Providence women's College. The session was very lively and students were highly motivated listening to the life story of Dr. Sheeba. She stressed on the importance of value oriented education and the responsible use of social media. The webinar was conducted via Google Meet from 7.00 pm to 8.45 pm. The brochure and the list of participants are attached.

What is a digital footprint?

- The information about a particular person that exists on the Internet as a result of their online activity.
- Your digital footprint paints a picture of who you are – it is your very own online portrait
- Comments on social media, Skype calls, app use and email records- it's part of your online history and can potentially be seen by other people, or tracked in a database.

## **Report on the activities of Environment Club, Department of Chemistry during 2021-22**

Environment awareness programme 'Naturaleza' was organized by the department of Chemistry in connection with environment awareness week celebration from 22nd to 27th June 2022. As part of the programme, various interdepartmental competitions such as caption writing and quiz were conducted. An environment awareness rally was performed by the students of the department on 24-06-22, holding the placards and shouting the slogans to spread the message to preserve the greenery and recycle the wastes. Students planted saplings in the campus garden. Used plastics were collected from the campus and handed over to the corporation for recycling. The brochures, photographs and list of participants for various programmes are given below.

What is the major theme of City of God?

15:25

**Hiba Kv**

As one of its major themes, City of God painfully illustrates poverty's numerous privations: the few choices, the slim chances, the narrow and vicious minds. With plenty of guns and little insight, life among the ruins has never been sadder, never more visceral, never more violent.

15:27

**Anna Paul Annyi**

Why are the movie called City of God?

15:33

**Hiba Kv**

A few minutes into City of God, the narrator offers (in English-subtitled Portuguese) a pointed description of the sprawling slum outside Rio de Janeiro that gives the film its name: "There was no electricity, paved streets, or transportation."

Intoduction:

CITY OF GOD, Cidade de Deus (City of God) is a housing project built in the 1960's that—in the early 80's—became one of the most dangerous places in Rio de Janeiro. The tale tells the stories of many characters whose lives sometimes intersect. However, all is seen through the eyes of a singular narrator: Busca-Pé, a poor black youth too frail and scared to become an outlaw but also too smart to be content with underpaid, menial jobs. He grows up in a very violent environment. The odds are all against him. But Busca-Pé soon discovers that he can see reality differently than others. His redemption is that he's been given an artist's point of view as a keen-eyed photographer. As Busca-Pé is not the real protagonist of the film—only the narrator—he is not the one who makes the decisions that will determine the sequence of events. Nevertheless, not only his life is attached to what happens in the story, but it is also through Busca-Pé's perspective of life that one can understand the complicated layers and humanity of a world, apparently condemned to endless violence.

 So Devika , what do you have to say about the movie 18:14**DSN**

The movie is all about a woman in her sixties after loosing everything in her life, embarks a journey through American West as a mordern da Nomad ( Van Dwellers)

18:17

DN

**Devika Schitz Creek** Yes . Could you connect with the character 18:18

DN

**Devika Schitz Creek**

Though I felt the movie to be a little slow at the beginning , as the narration continued, I could see how sometimes the protagonist was lonely and the way she had to take care of all the issues around her by herself

As we are all concerned about the movie 'Quo Vadis, Aida'- means - 'Where are you going, Aida?' is a film based on the real incidents happened in Srebrenica between July 11 and 13, 1995.

19:06

Nandhana, Could you please briefly explain the real incidents happened in Srebrenica?

19:07

Sure!!Srebrenica Massacre was one of the brutal genocide that history had ever witnessed. Around 8000 Bosnian Muslim men and boys who were in and around the town during Bosnian war was massacred. The killings were committed by the units

Movie of the week : Tracks  
(2013)

By : Robyn Davidson

Starring : Mia wasikowska ; Adam driver

Directed by : John curran

Genre : drama , Adventure

The movie tells the story of Robyn Davidson, to whom the viewer is introduced in the mid-'70s. In narration, Davidson describes her disenchantment with the society of other people, and how tired she is of suffering the depredations visited upon "my sex and class." In more conventional movies in which a young woman undertakes a nearly 2,000 mile solo journey across a desert, there's likely to be a lot of hoo-hah about the search for self and spirituality. Not here.

It's Pride Month!!!! Hope you all are aware of the history of Pride Month celebrations. Pride month commemorates years of struggle for civil rights and equal justice under law for LGBT community. It was 'The Stonewall Riots' also called Stone wall uprising that catalysed gay rights movement. Stonewall became a symbol of resistance to social and political discrimination against homosexuals and called for a change in the attitude towards them. But the sad fact is a huge population belonging to LGBT spectrum are still afraid of revealing their sexuality due to the fear of being alienated by the world around them. We are responsible for making them feel they are accepted and treated equally in the society. So here we are with some wonderful LGBT films which will make you feel love in its purest form ignoring all the societal prejudices . Hope you'll enjoy ❤️

Campus Politics

"In a godly way you can shake the world" once said Mahatma Gandhi. Yes this seems very true when we deep into the topic "Campus Politics". A subject of great concern in today's scenario, something that increases the heart beat and blood flow in today.

First of all let me ask you what is actually meant by politics? What are its aim? Politics generally aims at improving the status and power of all well as deals with the proper governance of our country. So without any doubt we can say that campus politics also aims at the development and well being of campus as well as the students within the campus.

But let me ask you, is this what is actually taking place in today's campuses? No, never, hardly can I say that. Again let me ask you, then what is going on there? No idea, right? But wait, we actually know what is happening! Fights, bloodshed and death, isn't it? Yes. Just think about it.

In this era, where we humans live in a competitive world, there comes competition with parties also thus dividing the people into various groups, friends and families into enemies and what not. This usually awakes in them different ideas and hatred for the other. Life in campus is usually the time when students enjoy and

Campus Politics

Campus politics is a killer and killer at the same time. Recent work of death statistics due to campus politics shows that it is a killer as the students who have unfortunately been degenerated into gang wars, ugly show of money and muscle power and suffocation of academic exercises. It is a matter of grave concern. At the same time, it is also true that student politics has given us freedom fighters and great leaders to some the country.

Politics is a very important activity of the national life. It is the soul of the democracy. Political guidance leads the nation into future. Participation of students in party and campus politics will groom future political leaders. The education

The department of commerce arranged a competition named 'overhaul' in connection with plastic free month on 1st July 2021. It was a one month challenge to make a ugly ground into a beautiful one. There are a total of 3 entries. The main purpose of the competition is to take measures to improve the cleaning and to protect nature.

**World Population Day**

World Population Day theme is "Rights and Choices for All" - The solution to achieving the reproductive health and rights of all people is to ensure that every person has the right to decide if, when and how often to have children.

LET'S SAVE OUR EARTH FROM OVER POPULATION

As part of world population day students of the department of commerce released a video on 11th July 2021. World population day increased awareness of students about various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights. It mentioned the problems faced during overpopulation. It enabled the students to understand that family size is controllable. The event raised awareness of global population issues.

The students of the Department of Commerce organized a webinar on World Nature Conservation Day and discussed main problems faced by wildlife species on 28th July 2021 through Google meet. A new video was created to raise awareness on protecting nature. The video puts an insight into the importance the environment has in human life. The video was released through a YouTube channel.

The Green Cove club on behalf of the Department of Commerce conducted a national online Quiz competition on International day for Natural Disaster Reduction on 13th October 2021. It is celebrated to ensure that people and organizations in this world actively participate in reducing the risk of natural calamities. Green cove club provided free registration and as well as all the participants received E-certificate through registered email ID. The aim behind the quiz was to create awareness about the reasons leading to disasters and the measures taken to reduce the natural disasters.
