

CONTINUOUS INTERNAL EVALUATION

PROVIDENCE WOMEN'S COLLEGE, KOZHIKODE
SUMMARY REPORT OF
THE CONTINUOUS INTERNAL EVALUATION 2023-24

The internal assessment was based on a predetermined transparent system set by the university. For all programmes, 20% of the total marks in each course were allotted for internal examinations.

Theory courses

Internal assessment was based on written tests, seminars, assignments and class room participation based on attendance in respect of theory courses.

For the test paper marks, at least one internal examination was conducted in each semester, with a unified timetable for all programmes. Question papers prepared by the concerned departments, following the same pattern given in the curriculum of each course were used for all programmes. Internal examinations were conducted towards the end of each semester, adhering to the academic calendar of the university.

Practical courses

Internal assessment was based on lab involvement and records in respect of practical courses.
