Report

Department of Psychology organized a workshop on theatre of oppressed with the theme “Role of Patriarchy in perpetuating gender-based discrimination” on 1 December 2023. Session was handled by Mr. Heider TO practitioner. Patriarchy perpetuates gender inequality, leading to disparities in education, employment opportunities, and income. Women continue to earn less than men for the same work, and leadership roles are disproportionately occupied by men. so the basic aim of this program is to empower the students and make them future specific.
