

Distribution of Food Packets by First-Year History Students on 13/05/2024

On 13/05/2024, the first-year undergraduate history students of the Mythri unit of Pain and Palliative at Providence Women's College, Kozhikode, undertook a commendable humanitarian initiative. As part of their outreach program, the students distributed food packets and bottled water to the needy in Calicut city.

The students assembled at Mananchira at 9:00 AM with approximately 60 food packets and bottled water that they had prepared and brought along. Their efforts were focused on helping the underprivileged individuals in and around the areas of Mananchira, S.M. Street, and the railway station.
