

1. Report on the Extension Activity of the Zoology Department-Blood Donation Campaign

Activity: Blood Donation Campaign

Date: 22 August 2023

Venue: College Campus

The Department of Zoology, in association with **Medical College, Calicut**, and with the coordination of the **National Service Scheme (NSS)**, organized a **Blood Donation Campaign** on 22 August 2023. This event was held as part of the department's extension activities, emphasizing the importance of community welfare and health awareness.

Objective:

The campaign aimed to create awareness about the significance of blood donation in saving lives and to encourage voluntary participation among students and staff.

Details of the Event:

1. Inauguration:

- The campaign was inaugurated by the Principal, who highlighted the vital role of youth in contributing to health and social services.

2. Participation:

- A large number of students and faculty members actively participated in the event.
- Medical professionals from Calicut Medical College ensured the smooth conduct of the donation process.

3. Medical Screening:

- All participants underwent a health check-up, including hemoglobin level tests, to ensure they were fit to donate blood.

4. Blood Collection:

- A total of **50 units of blood** were collected during the campaign.
- Each donor was provided with a certificate of appreciation and refreshments post-donation.

Outcome:

The campaign was a tremendous success, with enthusiastic participation from both students and staff. The blood units collected were handed over to the blood bank of Calicut Medical College to meet emergency requirements and save lives.
