Date: 23 August 2023

Activity: *'Miss a Meal' Program*

As part of the department's extension activity, the students and faculty came together to organize the *'Miss a Meal'* program on 23 August 2023. This initiative aimed to cultivate a sense of social responsibility and contribute towards the welfare of the community.

Under this program, a sum of **₹2500** was raised by the enthusiastic and compassionate efforts of the students. This amount was utilized to sponsor a traditional **Sadhya** (a ceremonial feast) for the residents of **Nayanar Sadanam**, a charitable home located at Eranjipalam.

The event not only brought joy and comfort to the residents of Nayanar Sadanam but also served as a valuable experience for the students to understand the importance of giving back to society.

The students handed over the collected amount personally, and the Sadhya was arranged and served on the same day. The residents expressed their heartfelt gratitude for the thoughtful gesture.

This activity reinforced the core values of empathy, teamwork, and social commitment among the students, making it a meaningful and impactful event.
