

Survey at Kuruvatoor Panchayat

Kuruvatoor Panchayat in association with Providence Women's College, conducted a general village survey. The survey aimed to gather comprehensive data on various aspects of village life including infrastructure, health, education and social issues. The active involvement of 24 students from the Department of Commerce was commendable along with other students of the college.

The survey was conducted using detailed questionnaire that covered a wide range of topics relevant to village life. Students were trained to administer the survey and collect data from households across the village. The objective of this activity is not only ensure comprehensive data collection but also foster a sense of civic responsibility among the students. This collaborative approach not only benefits the community but also empowers the younger generation to take an active role in shaping their future. The following students participated in the survey.
