The third year students of Business Administration visited the Benchmark tea and chocolate factory on 4th June 2022 as part of the industrial visit. The benchmark tea and chocolate factory is one of the popular factories in Ooty.

The factory is engaged in producing different types of tea powder and chocolates. The students were able to witness the whole stage from crushing to packing and also manufacturing of different chocolates. The whole process where clearly explained to the students. The well managed factory with neat floor and environment really impressed the students along with the manufacturing. The factory also owns a shop which was well arranged with plenty of displays.
