DEPARTMENT OF COMMERCE

REPORT ON INDUSTRIAL VISIT TO VKC POLYMERS PRIVATE LIMITED. (2021-22)

The Department of Commerce, Providence Women's College had organized an industrial visit on 6th August 2022 to VKC POLYMERS PRIVATE LTD in Kozhikode. There were 65 students from UG and 16 students from PG to visit the unit.

It was a wonderful experience to visit the leading footwear manufacture especially in southern region of India. VKC Group focused on distribute quality products to the customers at reasonable price.

The journey commenced at 9.30 am and reached at 10.15 am.it was a good opportunity for students to learn about the management practices as well as footwear manufacturing process applied there. Company is now manufacturing VKC Pride and VKC Lite. The advantage of the company is the implementation of Italian technology used for the injection moulding process. Moulding process is the main activity and the key process of manufacturing of quality footwear. Members of VKC Polymers comprises of well experienced functional head, department head, coordinator, supervisors, machine operators etc. Every employee is expected take responsibility for managing quality issues in order to reduce wastages. The company purchases most of their machine from abroad. They have no worries to share their experience with our students.
