You are not allowed to store, copy, sell, share, and distribute it to a third party under any circumstances. Similarly, you are expected to refrain from talking about your work in public domains (both online such as blogging, social networking sites and offline among your friends, college etc.) without prior discussion and approval with your mentor.

Have fun at what you do and do the right thing – both the principles are core of what TheCoinRepublic stands for and we expect you to imbibe them in your day-to-day actions and continuously challenge us if we are falling short of expectations on either of them.
