Summary Report on Field Visit to Tribal Colony at Kumizhi Village, Wayanad

The field visit was organized on by Department of Economics under the coordination of Dr. Sr. Sheeba Andrews, Dr. Vidya K.T and Gopika Unni K for the second year students to study about the socio-economic conditions and livelihood of tribal community. A tribal colony consisting of 62 households which belongs to Kaatunayakan tribe at Kumizhi village, Wayanad was identified as the study area. The study focused on the tribal health status, socio-economic profile, education attainment, health care facilities and its utilization, living conditions and challenges faced by tribal. Students were divided into groups assisted by one faculty. Structured questionnaire was prepared by the students and an Inclusive survey was conducted by students directly with the tribal households. It helped the students to develop practical experience than theoretical knowledge which solidifies their learning. The data collected from the survey was critically analyzed and consolidated by the students with the guidance of faculties of the department.
