DEPARTMENT OF HISTORY-PROVIDENCE WOMEN'S COLLEGE

EXPERIENTIAL LEARNING THROUGH FIELD WORK IN PLACES RELATED TO THE NATIONAL MOVEMENT IN KOZHIKODE

In connection with Azad Ka Amrut Mahotsav, India at 75 Celebrations, the second year students of the Department of History, visited places in Kozhikode associated with the national movement and made Vlogs which were posted in the Department Channel Bhoomika.

Objectives

- 1.To instill the feeling of patriotism in young minds
- 2.To remember our martyrs, their struggle and sacrifice
- 3.To create opportunities for the students to mingle and interact with people of the society.
- 4.To create historical consciousness in students and generate interest in the discipline

Methodology

Students made a study of Gandhiji's visit to Kozhikode and prepared questions on their understanding of the national movement in Kozhikode.Video recording of the places visited was done which was later compiled into vlogs .These vlogs were later uploaded in the department channel Bhoomika for future reference.

Working Pattern

Students were briefed on the places in Calicut associated with the national movement.Editorial columns in newspapers and links to videos in You tube on the national movement were circulated before they visited these places.They were divided into six groups and were asked to prepare notes on the basis of the first hand information which they received during these visits.

Students visited Malabar Christian College and Sanmargadarsini Vayanashala where Gandhiji had visited when he came to Kozhikode. During another field trip they visited the office of Mathrubhumi newspaper that played a pivotal role in galvanising thousands of men and women into action during the national movement. Students also undertook a fieldtrip to the Townhall that had witnessed a large number of political gatherings during the national movement in Malabar. A group of students participated in the *padayatra* from Muchukunnu to Pakanarpuram, reminiscing Gandhiji's famous Dandi march of 1930. Pakanarpuram has yet another significance in history as it was where K.Kelappan, the renowned freedom fighter started a school for the Dalit children of the locality as per Gandhiji's advise.

Outcomes

- 1.Students could get a better understanding of the growth of national movement in Malabar and the lives of national heroes like K.Kelappan, K Madhavan Nair and K.P Kesavamenon .
- 2.Their technical knowhow got considerably improved by editing and compiling the videos
3. Students could spent a quality time with their peers and got better exposure through the field work.

DEPARTMENT OF HISTORY-PROVIDENCE WOMEN'S COLLEGE
FIELD TRIP VISIT TO PERUVAYAL GRAMAPANCHAYAT (2021-22)
&
STUDENT PARTICIPATION IN MAMPUZHA CLEANING CAMPAIGN

Protecting our Nature to Ensure our Future

Objectives

1. To inculcate environmental sustainability consciousness among the students.
2. To make the students aware of the precious gifts of nature.
3. To make them understand the gravity of environmental damage done by man.
4. To have an awareness of the fact that nature has enough for man's needs but not for meet his greed.

Working Pattern

Students attended meeting organized by the Peruvyal grama panchayath authorities. They were briefed on how to conduct surveys about the causes of river pollution. Interaction was done with the local people in order to collect first hand information. They were divided into groups and participated in the cleaning campaign done in the premises.

To inculcate environmental sustainability consciousness among the students, the Department of History conducted field trips to Peruvyal Grama Panchayat, Poovatuparamba near Medical

College in Kozhikode district in 2021-22. Mambuzha, a river that flows through this Panchayath is in a deplorable condition due to the unscrupulous dumping of plastic as well as organic waste. As a part of the cleaning campaign organised by the local governing body of Peruvayal, the students of first year History (2021-22 batch) and NCC volunteers of Providence Women's College participated in a survey that assessed the length of the river and the pathetic condition that was seen in the premises. The cleaning campaign was led by the Peruvayal ward member Susmitha Vitharath. It was understood that the present state of the river was due to the open dumping of waste from houses and hotels in the neighbourhood. On this occasion, Students took a pledge to make a concerted effort to do their best to conserve the gifts of nature. The need to conscientise the people about proper waste management was also discussed during the field trip. Captain Lini, faculty of the Department of History and Anooja, the student leader coordinated the entire field trip

Outcomes

1. Surveys were systematically done under expert guidance which made the students get a better understanding of the environmental problem.
2. The need to understand how we should preserve our natural resources for the future generation
3. Helped the students to understand the problem of the locality at the grass root level.
