

REPORT

Activity : Fund collection for pain and palliative care unit

Number of students participated : 38

A fund collection was conducted by the staff and students of the Department of Botany for the Pain and Palliative care unit associated with Govt Medical College Kozhikode. The fund collected was mainly from the sale cum exhibition of craft items prepared by the students. Water beds and other provisions to relieve the terminally ill patients from great sufferings were handed over to a few bed ridden patients also. 38 students participated in the programme which was conducted during the period July 2017 to January 2018.
