Date: 1/06/2022

CIRCULAR

As part of the green initiatives on campus, it is suggested that all ceremonies and occasions be marked by planting of saplings. Green gifts like saplings may be promoted to honour guests and resource persons. This is in the best interest of the entire life on our planet

CIRCULAR

Students and teachers are hereby directed and encouraged to use bicycles and battery-powered vehicles inside the campus. Since the use of vehicle powered with petroleum fuels causes air pollution on the campus in particular and to the environment in general, alternative methods for the sustainable approach have to be adopted. Orders are issued to restrict the use of petrol or diesel vehicles on the campus, particularly during the working hours.

REPORT ON GREEN INITIATIVES

The institution has taken all efforts for being an environment friendly campus. To endorse the policy of preserving green campus, Circulars are issued and as per the Circulars, the following practices are executed,

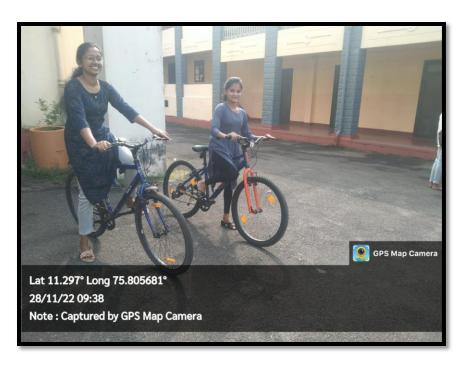

- Restricted entry of vehicles
- Paper, unavoidable plastics like covers &bottles, glass, metal, medicine wrappers and strip packages, footwear, E-waste etc., are segregated and collected into the Micro Collection Facility (MCF) units for recycling
- Manure from Ring Compost units is used for Organic farming in the campus
- Charging unit and point, has been facilitated for electric powered vehicles of staff and students
- Efforts to promote public transportation and car pooling among staff and students
- Green protocol implementation, for all functions on the campus
- Pedestrian friendly pathways are provided in the campus
- Use of bicycle inside the campus is promoted
- Planting saplings to mark special occasions on campus
- Landscaping with plants

The green audit for the year 2020-21 has been carried out in accordance with the various rules and regulations in India.
