## "Changing Paradigms of Organizations in the era of Fourth Industrial Revolution"

The Department of Commerce, Providence Women's College, Kozhikode organized a CPE funded national seminar on "Changing Paradigms of Organizations in the era of Fourth Industrial Revolution" on 5<sup>th</sup> November 2018. The seminar was attended by 190 participants from colleges in Kerala as well as from other parts of the country. The occasion was graced by Dr. Anupam Das, Assistant Professor, Indian Institute of Management, Calicut. The highlights of the seminar are as follows:

The program was inaugurated at 10 am by Dr. (Sr) Ashmitha A.C, Principal, Providence Women's College and Dr. Anupam Das. The welcome speech was delivered by the Head of the Department, Smt. Ninikala K. (Sr) Ashmitha delivered the presidential address which was followed by the keynote address by Dr. Anupam Das. Dr. Das spoke at length on how the fourth industrial revolution with its disruptive technologies and trends such as the Internet of Things (IoT), robotics, virtual reality (VR) and artificial intelligence (AI) are changing the way we live and work and about the profound ways in which it will affect our identity and all the issues associated with it: our sense of privacy, our notions of ownership, our consumption patterns, the time we devote to work and leisure etc. The inaugural session ended with a vote of thanks by Smt. Shiji P, Assistant Professor.

This was followed by the technical sessions. Technical Session-I was conducted on "VUCA and Industry 4.0" by Sri. Rishikesh K B, Assistant Professor, Christ (Deemed to be University), Bangalore. He elucidated the many ways in which Volatility, Uncertainty, Complexity, and Ambiguity (VUCA) are going to become more and more prevalent in the business world and how organizations have to reconsider the way businesses must operate in order to surmount the formidable challenge posed by it. The morning session ended with a 60-minute lunch break.

Technical Session-II named "5G & IIOT – A Walkthrough" by Sri. Praveen S Nair, Director, Sigosoft Pvt. Ltd, turned in to an enlightening discourse on how IIOT (Industrial Internet of Things) is a movement towards 'smart machines' whereby the accuracy levels of the operations involved in the respective systems are heightened to a level that cannot be achieved through human interventions.

The final session aptly named "Impact of Industry 4.0 on Society" by Sri. Anil Balan, President & COO, Splendre Eyemag Pvt. Ltd. was a sweeping commentary on how Industry 4.0 is all about automation and efficiency and how it will require new skillsets to benefit from the changes brought on by it.

The sessions were concluded by 4.00 pm to immense appreciation by students and faculty members who attended it.

### Certificate Course on Basic Statistical Skills in Research Analysis 2018 - 19

The Department of Mathematics conducted a certificate course on Basic Statistical Skills in Research Analysis with a duration of 30 hours. Ms. Suchithra E, Assistant Professor in Statstics and Ms. Heera K., Assistant Professor, Department of Computer Science were the course instructors. The HoD of Mathematics, Ms. Rosamma Devasia coordinated the course. The course provided an understanding of the basic methods and statistics useful in writing project/research papers and presentations. Daily tasks were given to the students after each day's session. A total of 55 students enrolled for the course and cleared the exams conducted at the end.

DATE:06/06/2018 VENUE: MV HALL

### **Report on LateX (2018-19)**

The Department of Mathematics conducted a certificate course on the Introduction to LaTeX with a duration of 30 hours. The HoD Ms. Rosamma Devasia was the coordinator of the course. Dr. Kavitha T. and Ms. Prajila K. instructed the course. The entire syllabus was taught and daily tasks were given to the students after each day's session. The course instilled in the students the need of understanding the importance of typing languages which ease typing Mathematics. A total of 86 students enrolled for the course and cleared the exams conducted at the end.

### Report on the life skill talk 'Can your Mind Redesign your Future' organised by the Department of Chemistry during 2018-19

A motivating talk 'Can your Mind Redesign your Future' was organised by the department of Chemistry on 01-03-2019. The resource person was Dr. T. P. Jawad, HoD & consultant clinical psychologist, Department of Clinical Psychology, HCF, Hilite City, Calicut. Dr. Jawad emphasised on the power of mind in achieving goal and he shared some tips to students to focus in their studies. The talk was followed by an active interactive session. Sixty two students attended the talk.

# Report on the skill development workshop organised by Dept. of Chemistry during 2018-19

A workshop on 'Scientific Writing and Presentation Skills for Chemists' was organized by the Department of Chemistry on 11-12-2018 at 2.15 pm. The programme constituted two sessions. The session 1 was on scientific methods and session 2 was about scientific writing and presentation skills. The sessions were handled by Dr. Manoj Mathews, Assistant professor, Department of Chemistry, St. Joseph's College, Devagiri, Calicut. Students and faculties of the department attended the workshop. The programme came to an end by 4.30 pm. The abstract, programme schedule photograph and the list of participants are attached.

#### Programme Schedule

#### Scientific Writing and Presentation Skills for Chemists

Dr. Manoj Mathews, Asst. Professor, Dept. of Chemistry, St. Joseph's College, Devagiri, Calicut

A. V. Hall, Providence Women's College

11-12-18; 2.15 - 4.15 p.m.

#### Abstract

Research is one of the major academic activities of students in higher education. Research experiences through academic projects give students an opportunity to gain a deeper knowledge of research techniques and processes, apply classroom learning in real-world contexts and explore academic literature. In this context, academic and research report writing is an essential activity for a student of higher education. Publication of research findings is an integral part of research. Therefore, it is necessary for a student to learn and apply principles and techniques of report writing for effective dissemination of the academic and research findings. This lecture intends to introduce the listener to the principles, techniques and tools of academic and research report writing.

#### Session 1: Scientific method; 2.15 - 3.00 p.m.

- Science and scientific method The choice and statement of a research problem.
- Searching the literature Literature databases Google scholar, SciFinder, Web of science, PubMed, Wiley Spectra lab, Chem Spider, INFLIBNET etc.
- Type of journal publications—articles, communications, reviews Impact factor
- Formulation of hypothesis Research plans / Design of experiment / Design of apparatus
- Analysis of the experimental data Interpretation and generalization of the findings-Microsoft Excel / Origin / Chem Draw / Chem Sketch etc

#### Session II: Scientific writing and Presentation Skills; 3.10 - 4.15 p.m.

- Scientific writing Research reports, journal articles, books and thesis, patenting the results of research.
- Organization of reports General format- the title, authors, abstra.t, text (introduction, method, results, discussion, conclusions), acknowledgement, references. Abbreviations, foot notes, Tables, Figures, Proof reading.

### Report on the life skill talk 'Self Unfoldment' organised by the Department of Chemistry during 2018-19

A life skill talk 'Self Unfoldment' was organised by the Department of Chemistry on 04-12-2018 in connection with the association inauguration. The session was handled by Dr. Priya P., Psychologist & Associate Professor and Research Guide, PG and Research Department of Hindi, Government Arts and Science College, Calicut. She discussed on the power of positive thinking and the importance of self-determination in achieving goal. The seminar was attended by 69 students and faculties of the department.
