Students will have approximately 3 months to work on their project and will complete their MBA programme within twelve months.

Students who are unsuccessful in securing a placement within the first 9 months of their programme will automatically be transferred to our business research project module to gain the required credits to complete the MBA. This will be taught in three full day intensive workshops and supported with one to one supervision. Students will have approximately 3 months to work on their project and will complete their MBA programme within twelve months.

PLACEMENT FEE
