A trilogy film is a series of 3 films that are related in theme or sequence. The series of three Matrix movies is an example of a trilogy.

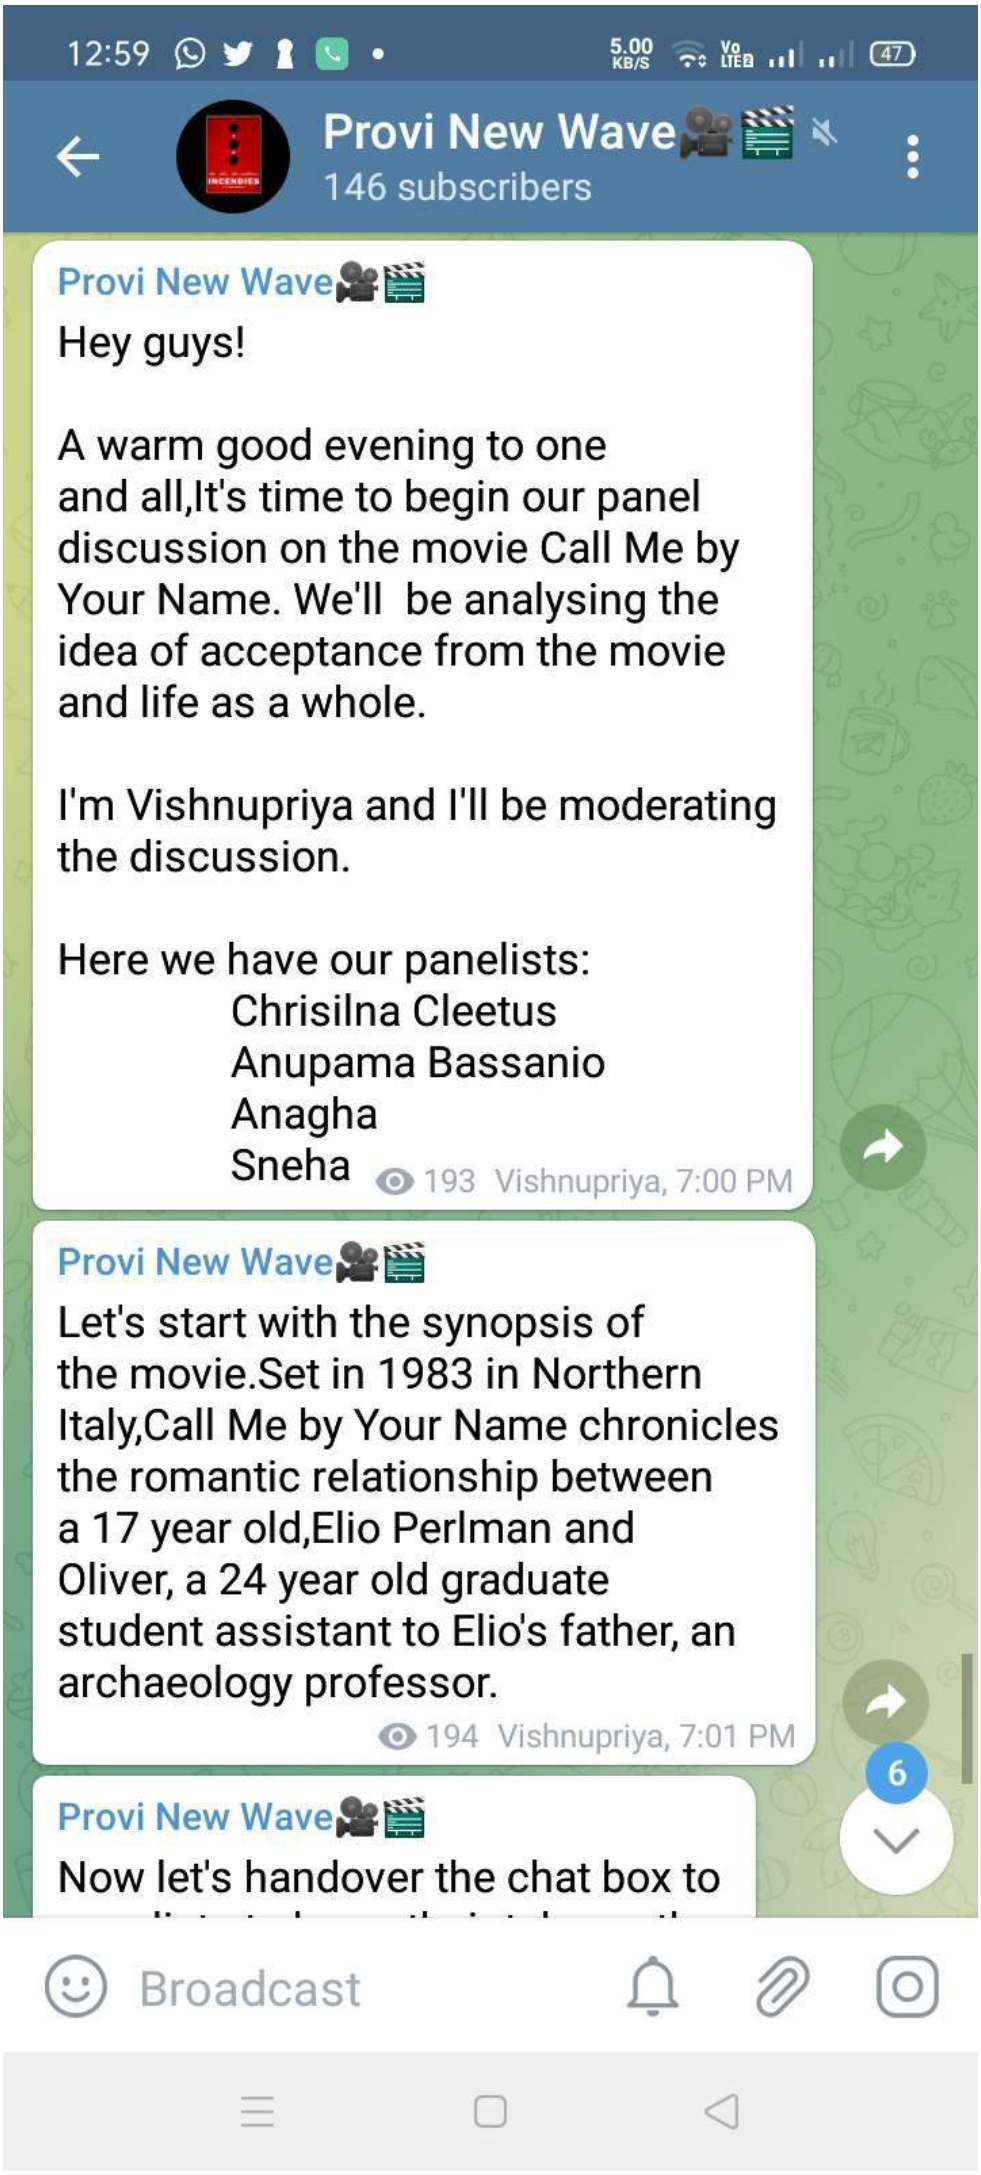

Now here we are with the 'Before' trilogy -Before Sunrise(1995),Before Sunset(2004) and Before Midnight(2013).

Before Sunrise is based on the book of the same name and the other two is a sequel from the 1st one.

an ageing poet afflicted with glaucoma and nearly blind whose wife has deserted him because of his reckless lifestyle.

Soumitra's performance as a bitter and ageing poet facing near blindness in Gautam Ghose's adaptation of a short story by Sunil Gangopadhyay earned him his second Special Jury Award. However, Soumitra flatly refused to accept what he termed a "consolation prize", citing the credibility deficit of the controversy-ridden National Film Awards. In solidarity, director Gautam Ghose too declined to accept the National Award for Best Bengali Film.
