Dear Ms. Bindu,

The Students' Alumni Cell of IIM Kozhikode cordially invites you and the students of Providence Women's College to be a part of the institute's International Women's Day celebrations on 8th March 2021.

The Indian Institute of Management, Kozhikode begins a new chapter in 2021, as it steps into its 25th year, and is humbled to have you accept this invitation.

Recognizing that oftentimes, we colloquially use the phrase ' $man\ up!$ ', in order to tell someone that they should deal with something more bravely; this year, on International Women's Day 2021, the IIM Kozhikode community would celebrate the theme 'Woman Up!'.

The aim of the event is to further the conversation that challenges the status quo, the gender biases, and norms we often take for granted in society. We can choose to seek out and celebrate women's achievements. Collectively, we can create an inclusive and more gender-equal world.

We recognize that only by calling out and accepting challenges, we can bring about meaningful change, and this is what we seek to achieve throughout this year.

Change is not something that happens overnight. We all have often heard things such as "Man Up!", "Don't cry like a woman," "This is the society we live in, unfortunately", and we're not taking it anymore.

Activities of 'Alchemy'-Alumnae Association of Department of Chemistryduring 2020-21

I. Online alumnae meet

Report on the Alumnae meeting of Department of Chemistry, Providence Women's College, Calicut held on 30-05-2021.

The annual meeting of the Alumnae association 'Alchemy' of Department of Chemistry, Providence Women's College, Calicut was held on 30-05-2021. The meeting was arranged via virtual platform of Google meet. The main agenda was to honour Dr. Beena Philip, Mayor of Calicut district, who is our Alumna (1975-78 batch) and former HoD Dr. Gigy Abraham who had retired from service on 31-03-2021. The meeting began at 10.00 am with a silent prayer. After the welcome speech by Ms. Krishna Aravind (2020 batch), the Head of the Department, Sr. Asha Thomas, delivered the presidential address. Sr. Asha Thomas gave an account of the departmental activities carried out during the last academic year. Members appreciated all the activities especially sanitizer preparation and distribution, old cloth collection etc. during the pandemic.

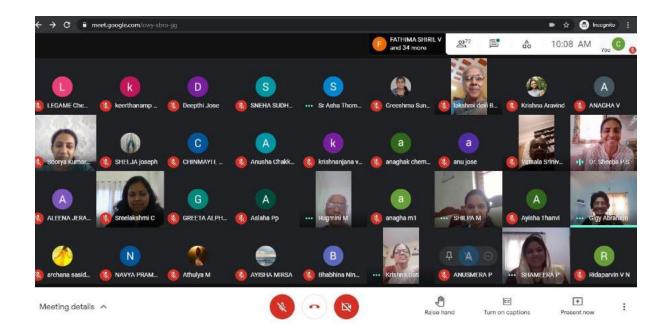

The chief guest Dr. Beena Philip and Dr. Gigy Abraham shared their memories about Providence College. Dr. Beena explained her duties as a Mayor, and introduced the new initiatives taken to fight covid-19. The members promised financial support to 'Oru Vayaroottaan Padhathi' and Oxygen Challege initiated in Calicut District.

The fund raising for the library block, which is an urgent need of the institution, was presented before the gathering. All members offered their support to the venture.

About 20 Alumnae, Students, and faculty members of the department attended the meeting, well interacted and cherished their memories about the campus. Ms. Amaya N. (II DC Chemistry) proposed the vote of thanks. The meeting came to an end by 12.00 pm.

ALUMNAE ASSOCIATION ACTIVITIES REPORT 2020-21

The alumnae association of the department under the aegis of the Research and the Development Cell of the college conducted project presentations by our alumnae for the benefit of our current students on October 16th, 2020. A talk titled "Introduction to LaTex" was delivered by our alumna Anjali Jayanandan, Live Proctor, Talview on 15th December 2021.

PROJECT PRESENTATIONS

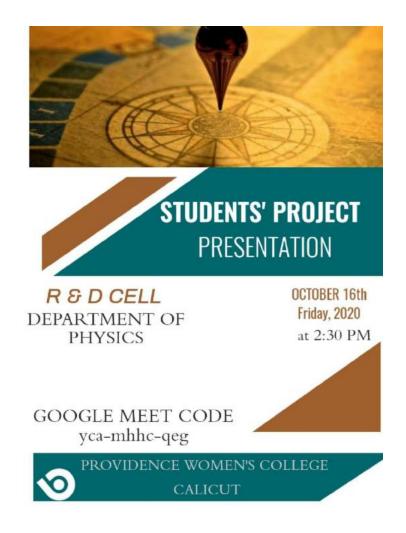

Presentations by UG students:

- 1. Agnus Joseph: Attenuation Coefficient of Beta Particles in Materials
- 2. Ann Maria George: Characterisation and Preparation of Eco-friendly Ion Induced Dielectric Material
- 3. Amisha T: Influence of Himalayan Snow Cover on the Inter Annual Variability of Indian Monsoon
- 4. Minnu Peter: Nano Particle Synthesis

Presentations by PG students:

- 5. Vyshna Suresh: MicroRaman Spectroscopy of Blood Components: A Study on Cardiovascular Diseases
- 6. Aryananda M.S: Weak Field Gravitational Lensing by Reissner-Nordstorm Anti de Sitter Black Hole

Dung Beetles

Order: Coleoptera Family: Scarabaeidae Subfamily: Scarabaeinae Dung beetles are predominantly coprophagous (faeces eating) insects, that feed on mammalian dung at both their adult and larval stages.

Ecological roles

- Dung removal and dung decomposition
- Recycle nutrients
- · Soil fertilization and aeration
- Control populations of disease causing flies and parasites by destroying their eggs and larvae in dung
- Protects seeds from predation
